Skywalker a promising young Jedi Padawan eager to be freed of the bonds of apprenticeship and to be awarded the title of Jedi Knight Shoulder to shoulder with a rogue Republic army officer and his battle hardened crew a hulking Rondian mercenary with an insatiable taste for combat and a duo of ready for anything soldiers the Jedi generals take to the skies and the punishing desert terrain of occupied Praesitlyn to bring the battle to the Separatist forces Already outnumbered and outgunned when confronted with an enemy ultimatum that could lead to the massacre of innocents they may also be out of options Unless Anakin Skywalker can strike a crucial balance between the wisdom born of the Force and the instincts of a born warrior

Battle Surgeons: Star Wars Legends (Medstar, Book I) Michael Reaves, 2005-12-06 As Civil War between the Republic and the Separatists rages across the galaxy nowhere is the fighting more fierce than on the swamp world of Drongar where a beleaguered mobile hospital unit wages a never ending war of its own A surgeon who covers his despair with wise cracks another who faces death and misery head on venting his emotions through beautiful music A nurse with her heart in her work and her eye on a doctor A Jedi Padawan on a healing mission without her Master These are the core members of a tiny med unit serving the jungle world of Drongar where battle is waged over the control of a priceless native plant and an endless line of medlifters brings in the wounded and dying mostly clone troopers but also soldiers of all species While the healers work desperately to save lives others plot secretly to profit from the war either by dealing on the black market or by manipulating the events of the war itself In the end though all will face individual tests and only those of compassionate hearts and staunch spirits can hope to survive to fight another day Features a bonus section following the novel that includes a primer on the Star Wars expanded universe and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years
