Sweet Shaven Angels Michail Paramonov, 2011 Text in English French German Enchanting young angels with perfect figures No pubic hair detracts from the aesthetics These girls bodies are immaculately beautiful and smooth radiant angelic and romantically dreamy Alas If only we too could be this young again *Shaven angels* Peter Lorenz, 2004 These Shaven Angels are both simultaneously vulnerable and self confident There is nothing artificial or doll like about these angels They really look like the proverbial girl next door It s not the size of their breasts or the length of their legs that matters but solely their personalities Lorenz has a surprising answer to the question of whether the girls had to shave themselves expressly for his photo shoots Nine out of ten were shaven already he says He believes that their hairlessness has to do with a fashion trend and perhaps with the urge to catch up on something that was formerly forbidden because of an old taboo **A New Literal Translation, from the Original Greek of All the Apostolical Epistles**, 1806 A New Literal Translation from the Original Greek, of All the Apostolical Epistles James Macknight, 1835 The Institution of the Christian Religion, Etc.
