THE BATTLE OF THE FITTEST Under The Blood Gloria V Griffin,2024-12-16 The main point I would like to express in this book is that through no fault of our own we enter this world by virtue of a sinful womb We will remain sinful until the end We will receive total salvation when the Lord comes back However our sinfulness does not discourage God from working his plan in our lives We are all used by him He does not ignore sin but forgives our sin if we repent This action shows our heart seeks to know him Repentance clears the path of Satan s interference so that we will receive what God has for us There are rules and regulations we have to follow and if we do our part He will do his A Father and his child working together for the good It is a partnership My testimonies show my sins and the righteous works that He used me for simultaneously No one has to be righteous to be used by God Becoming Who You Are Dutch Sheets,2010-11-10 In this powerful book that Dutch Sheets calls his life message readers are given truths about who they are in Christ and how to become the person God made them to be More than a book about identity in Christ it is an action plan to help believers conquer the lies that keep them defeated and walk into a newfound freedom Originally titled Roll Away Your Stone it provides sound biblical teaching that shows believers how to walk in the Spirit **Mission in Context: In Search of Asian Strategic Communication of the Gospel** Thang Deih Lian Davidlianno,2018-05-09 There is a profusion of missional issues emerging in the Asian fields that call Christ s followers to actively witnessing the Truth Missionaries from different continents have come to serve the Asian nations and yet these God s loving missionaries effectiveness often seem to have left in the shade by some damaging fruits and sometimes being too much of Westernness stemming from a diversity of lacking knowledge particularly the local contexts to contextualize and lack of preparation The irrefutable finding is appealing within the Asian mission study in regard to the essentiality in equipping the Christians so that the ministries in Asia will experience the effectiveness in cultivating the diverse contexts cultures with the text Scripture they have Many principles and practical information from this book grew out of the authors experiences and the reflection of Missiologists and scholars such as Andrew Walls Christopher Wright Kazoh Kitamori Paul Hiebert etc **Romans** Lou Nicholes,2004-05 Basil a small flying lizard makes a surprising discovery while engaged in Avalon s great war between the evil Rhita Gawr and the forces of good Old Testament Abstracts ,1986
