

SHAWNEE!

The Ceremonialism of a Native American Tribe and Its Cultural Background

James H. Howard

Shawnee Ceremonialism Native American Tribe

Jayme A. Sokolow

Shawnee Ceremonialism Native American Tribe:

Shawnee! James Henri Howard, 1981 A comprehensive account of Shawnee culture based on fieldwork among the present day Shawnee as well as historic accounts photographs and paintings Copyright Libri GmbH All rights reserved

The Shawnees and Their Neighbors, 1795-1870 Stephen Warren, 2008-12-12 Stephen Warren traces the transformation in Shawnee sociopolitical organization over seventy years as it changed from village centric multi tribe kin groups to an institutionalized national government By analyzing the crucial role that individuals institutions and policies played in shaping modern tribal governments Warren establishes that the form of the modern Shawnee tribe was coerced in accordance with the U S government s desire for an entity with whom to do business rather than as a natural development of traditional Shawnee ways

Indian Tribes of Oklahoma Carter Blue Clark, 2020-09-03 Oklahoma is home to nearly forty American Indian tribes and includes the largest Native population of any state As a result many Americans think of the state as Indian Country In 2009 Blue Clark an enrolled member of the Muscogee Creek Nation produced an invaluable reference for information on the state s Native peoples Now building on the success of the first edition this revised guide offers an up to date survey of the diverse nations that make up Oklahoma s Indian Country Since publication of the first edition more than a decade ago much has changed across Indian Country and more is known about its history and culture Drawing from both scholarly literature and Native oral sources Clark incorporates the most recent archaeological and anthropological research to provide insights into each individual tribe dating back to prehistoric times Today the thirty nine federally recognized tribes of Oklahoma continue to make advances in the areas of tribal governance commerce and all forms of arts and literature This new edition encompasses the expansive range of tribal actions and interests in the state including the rise of Native nation casino operations and nongaming industries and the establishment of new museums and cultural attractions In keeping with the user friendly format of the original edition this book provides readers with the unique story of each tribe presented in alphabetical order from the Alabama Quassartes to the Yuchis Each entry contains a complete statistical and narrative summary of the tribe covering everything from origin tales to contemporary ceremonies and tribal businesses The entries also include tribal websites suggested readings and photographs depicting visitor sites events and prominent tribal personages

Footprints of the Welsh Indians William L. Traxel, 2004 17th 19th c memoirs cite meetings with White Indians and linguistic archeological and anthropological evidence from Alabama to Kentucky suggest that Welshmen were among the first discoverers and settlers of America

North American Indian Music Richard Keeling, 2013-10-15 First Published in 1997 The present volume contains references and descriptive annotations for 1 497 sources on North American Indian and Eskimo music As conceived here the subject encompasses works on dance ritual and other aspects of religion or culture related to music and selected classic recordings have also been included The coverage is equally broad in other respects including writings in several different languages and spanning a chronological period from 1535 to 1995 The book is

intended as a reference tool for researchers teachers and college students With their needs in mind the sources are arranged in ten sections by culture area and the introduction includes a general history of research Finally there are also indices by author tribe and subject

Native Nations Kathleen DuVal, 2025-05-27 PULITZER PRIZE WINNER A magisterial overview of a thousand years of Native American history The New York Review of Books from the rise of ancient cities more than a thousand years ago to fights for sovereignty that continue today WINNER OF THE BANCROFT PRIZE THE CUNDILL HISTORY PRIZE AND THE MARK LYNTON HISTORY PRIZE Long before the colonization of North America Indigenous Americans built diverse civilizations and adapted to a changing world in ways that reverberated globally And as award winning historian Kathleen DuVal vividly recounts when Europeans did arrive no civilization came to a halt because of a few wandering explorers even when the strangers came well armed A millennium ago North American cities rivaled urban centers around the world in size Then following a period of climate change and instability numerous smaller nations emerged moving away from rather than toward urbanization From this urban past egalitarian government structures diplomacy and complex economies spread across North America So when Europeans showed up in the sixteenth century they encountered societies they did not understand those having developed differently from their own and whose power they often underestimated For centuries afterward Indigenous people maintained an upper hand and used Europeans in pursuit of their own interests In *Native Nations* we see how Mohawks closely controlled trade with the Dutch and influenced global markets and how Quapaws manipulated French colonists Power dynamics shifted after the American Revolution but Indigenous people continued to command much of the continent's land and resources Shawnee brothers Tecumseh and Tenskwatawa forged new alliances and encouraged a controversial new definition of Native identity to attempt to wall off U.S. ambitions The Cherokees created institutions to assert their sovereignty on the global stage and the Kiowas used their power in the west to regulate the passage of white settlers across their territory In this important addition to the growing tradition of North American history centered on Indigenous nations Kathleen DuVal shows how the definitions of power and means of exerting it shifted over time but the sovereignty and influence of Native peoples remained a constant and will continue far into the future An essential American history The Wall Street Journal

The Shawnees and the War for America Colin Gordon Calloway, 2007 An account of early American settler efforts to claim Shawnee territories in Ohio Kentucky and other states traces how the Shawnee tribe met American forces on equal terms before being forced to fight in order to salvage its cultural and political indep

Mr. Jefferson's Hammer Robert M. Owens, 2012-10-09 Often remembered as the president who died shortly after taking office William Henry Harrison remains misunderstood by most Americans Before becoming the ninth president of the United States in 1841 Harrison was instrumental in shaping the early years of westward expansion Robert M. Owens now explores that era through the lens of Harrison's career providing a new synthesis of his role in the political development of Indiana Territory and in shaping Indian policy in the Old Northwest Owens traces Harrison's

political career as secretary of the Northwest Territory territorial delegate to Congress and governor of Indiana Territory as well as his military leadership and involvement with Indian relations Thomas Jefferson who was president during the first decade of the nineteenth century found in Harrison the ideal agent to carry out his administration's ruthless campaign to extinguish Indian land titles More than a study of the man Mr Jefferson's Hammer is a cultural biography of his fellow settlers telling how this first generation of post Revolutionary Americans realized their vision of progress and expansionism It surveys the military political and social world of the early Ohio Valley and shows that Harrison's attitudes and behavior reflected his Virginia background and its eighteenth century notions as much as his frontier milieu To this day we live with the echoes of Harrison's proclamations the boundaries set by his treaties and the ramifications of his actions Mr Jefferson's Hammer offers a much needed reappraisal of Harrison's impact on the nation's development and key lessons for understanding American sentiments in the early republic

The Gale Encyclopedia of Native American Tribes Sharon Malinowski,1998 This acclaimed set offers students and researchers thorough objective and systematic essays on the history culture and current status of all federally recognized Native American groups approximately 400 in all

Tecumseh and the Prophet Peter Cozzens,2021-08-03 An insightful unflinching portrayal of the remarkable siblings who came closer to altering the course of American history than any other Indian leaders H W Brands author of *The Zealot and the Emancipator* The first biography of the great Shawnee leader to make clear that his misunderstood younger brother Tenskwatawa was an equal partner in the last great pan Indian alliance against the United States Until the Americans killed Tecumseh in 1813 he and his brother Tenskwatawa were the co architects of the broadest pan Indian confederation in United States history In previous accounts of Tecumseh's life Tenskwatawa has been dismissed as a talentless charlatan and a drunk But award winning historian Peter Cozzens now shows us that while Tecumseh was a brilliant diplomat and war leader admired by the same white Americans he opposed it was Tenskwatawa called the Shawnee Prophet who created a vital doctrine of religious and cultural revitalization that unified the disparate tribes of the Old Northwest Detailed research of Native American society and customs provides a window into a world often erased from history books and reveals how both men came to power in different but no less important ways Cozzens brings us to the forefront of the chaos and violence that characterized the young American Republic when settlers spilled across the Appalachians to bloody effect in their haste to exploit lands won from the British in the War of Independence disregarding their rightful Indian owners Tecumseh and the Prophet presents the untold story of the Shawnee brothers who retaliated against this threat the two most significant siblings in Native American history who Cozzens helps us understand should be writ large in the annals of America

The Canadian Sioux James Henri Howard,2014-04-01 The Canadian Sioux are descendants of Santees Yanktonais and Tetons from the United States who sought refuge in Canada during the 1860s and 1870s Living today on eight reserves in Manitoba and Saskatchewan they are the least studied of all the Sioux groups This book originally published in 1984 helps fill that gap in

the literature and remains relevant even in the twenty first century Based on Howard s fieldwork in the 1970s and supplemented by written sources *The Canadian Sioux* Second Edition descriptively reconstructs their traditional culture many aspects of which are still practiced or remembered by Canadian Sioux although long forgotten by their relatives in the United States Rich in detail it presents an abundance of information on topics such as tribal divisions documented history and traditional history warfare economy social life philosophy and religion and ceremonialism Nearly half the book is devoted to Canadian Sioux religion and describes such ceremonies as the Vision Quest the Medicine Feast the Medicine Dance the Sun Dance warrior society dances and the Ghost Dance This second edition includes previously unpublished images many of them photographed by Howard and some of his original drawings *Choctaw Music and Dance* James Henri Howard,1997-02-01 The Choctaws are among the largest and best known Indian tribes originally of the Southeastern United States but over the centuries they have become one of the most acculturated to white ways known more for what they absorbed of white culture than for their own distinctive traditions Since the removal of the greatest part of the tribe to Oklahoma in the 1830s Euro American acculturation has become especially dominant Nevertheless among the isolated group of Choctaws that remained in Mississippi after Removal and a few individuals in Oklahoma the old tribal dances and songs have been preserved This book discusses all aspects of the Choctaw dances and songs performed today by dance troupes in Mississippi and Oklahoma It describes the social organization of the troupes the construction and use of their musical instruments and their costumes Extensive historical information surveys the early literature on Choctaw music and dance the divergent experiences of the Mississippi and Oklahoma Groups and the recent movement toward cultural revival among traditionalists in both states The choreography for each dance that survives in the Choctaw repertory is described in detail and illustrated by photographs The book also contains an overview of Choctaw dance music with a classification of the song and in depth analyses of musical elements form and design The structure of dance events is reconstructed here for the first time Musical transcriptions of thirty songs are included The authors using a comparative approach have focused on the relationship between contemporary performances in Oklahoma and Mississippi Despite regional variations in performance practice the Choctaws have sustained considerable continuity in their dance and music in this century successfully resisting fierce pressure to assimilate and thereby lose all remaining vestiges of their culture This is the first book length study of Choctaw music and dance since 1943 with much new information on the dances It will be welcomed by ethnomusicologists dance ethnologists students of Native American culture anthropologists folklorists and anyone interested in American Indian dance **The Great Encounter** Jayme A. Sokolow,2003 By putting the story of the native Americans and their encounters with Europeans at its centre this work explores a new history in which the indigenous peoples become vibrant and vitally important components of the British French Spanish and Portuguese empires **"That's What They Used to Say"** Donald L. Fixico,2017-10-12 As a child growing up in rural Oklahoma Donald Fixico often heard hvmakimata that s what they used to

say a phrase Mvskokes and Seminoles use to end stories In his latest work Fixico who is Shawnee Sac and Fox Mvskoke as Muskogee is spelled in the Mvskoke language and Seminole invites readers into his own oral tradition to learn how storytelling legends and prophecies and oral histories and creation myths knit together to explain the Indian world Interweaving the storytelling and traditions of his ancestors Fixico conveys the richness and importance of oral culture in Native communities and demonstrates the power of the spoken word to bring past and present together creating a shared reality both immediate and historical for Native peoples Fixico s stories conjure war heroes and ghosts inspire fear and laughter explain the past and foresee the future and through them he skillfully connects personal familial tribal and Native history Oral tradition Fixico affirms at once reflects and creates the unique internal reality of each Native community Stories possess spiritual energy and by summoning this energy storytellers bring their communities together Sharing these stories and the larger story of where they come from and how they work That s What They Used to Say offers readers rare insight into the oral traditions at the very heart of Native cultures in all of their rich and infinitely complex permutations The Legend of Blue Jacket Michael P. Spradlin,2002-10-22 A biography of the Shawnee Indian chief Blue Jacket who fought against the American colonists *Transforming the Dead* Eve A. Hargrave,Shirley J. Schermer,Kristin M. Hedman,Robin M. Lillie,2015-05-15 The essays in Transforming the Dead Culturally Modified Bone in the Prehistoric Midwest explore the numerous ways that Eastern Woodland Native Americans selected modified and used human bones as tools trophies ornaments and other objects imbued with cultural significance in daily life and rituals **Being Scioto Hopewell: Ritual Drama and Personhood in Cross-Cultural Perspective** Christopher Carr,2022-01-05 This book in two volumes breathes fresh air empirically methodologically and theoretically into understanding the rich ceremonial lives the philosophical religious knowledge and the impressive material feats and labor organization that distinguish Hopewell Indians of central Ohio and neighboring regions during the first centuries CE The first volume defines cross culturally for the first time the ritual drama as a genre of social performance It reconstructs and compares parts of 14 such dramas that Hopewellian and other Woodland period peoples performed in their ceremonial centers to help the soul like essences of their deceased make the journey to an afterlife The second volume builds and critiques ten formal cross cultural models of personhood and the self and infers the nature of Scioto Hopewell people s ontology Two facets of their ontology are found to have been instrumental in their creating the intercommunity alliances and cooperation and gathering the labor required to construct their huge multicomunity ceremonial centers a relational collective concept of the self defined by the ethical quality of the relationships one has with other beings and a concept of multiple soul like essences that compose a human being and can be harnessed strategically to create familial like ethical bonds of cooperation among individuals and communities The archaeological reconstructions of Hopewellian ritual dramas and concepts of personhood and the self and of Hopewell people s strategic uses of these are informed by three large surveys of historic Woodland and Plains Indians narratives ideas and

rites about journeys to afterlives the creatures who inhabit the cosmos and the nature and functions of soul like essences coupled with rich contextual archaeological and bioarchaeological taphonomic analyses The bioarchaeological taphonomic method of l anthropologie de terrain new to North American archaeology is introduced and applied In all the research in this book vitalizes a vision of an anthropology committed to native logic and motivation and skeptical of the imposition of Western world views and categories onto native peoples Empires, Nations, and Families Anne F. Hyde,2011-07-01 **North American Indian Tribes of the Great Lakes** Michael G Johnson,2012-02-20 This book details the growth of the European Fur trade in North America and how it drew the Native Americans who lived in the Great Lakes region notably the Huron Dakota Sauk and Fox Miami and Shawnee tribes into the colonial European Wars During the French and Indian War the American Revolution and the War of 1812 these tribes took sides and became important allies of the warring nations However slowly the Indians were pushed westward by the encroachment of more settlers This tension finally culminated in the 1832 Black Hawk s War which ended with the deportation of many tribes to distant reservations **Peckuwe 1780** John F. Winkler,2018-10-18 As the Revolutionary War raged on fields near the Atlantic Native Americans and British rangers fought American settlers on the Ohio River frontier in warfare of unsurpassed ferocity When their attacks threatened to drive the Americans from their settlements in Kentucky Daniel Boone Simon Kenton and other frontiersmen guided an army of 970 Kentuckians into what is now Ohio to attack the principal Native American bases from which the raids emanated This superbly illustrated book traces Colonel George Rogers Clark s lightning expedition to destroy Chalahgatha and Peckuwe and describes how on 8 August 1780 his Kentuckians clashed with an army of 450 Native Americans under Black Hoof Buckongahelas and Girty at the battle of Peckuwe It would be the largest Revolutionary War battle on the Ohio River frontier
