Castro's Daughter Alina Fernández, 1998-10-15 Mommy mommy call him Tell him to come here right away I have so many things to tell him I had a ton of things to tell him I wanted him to find a solution to all the shortages of clothes of meat so it would again be distributed through the ration books I also wanted to ask him to give our Christmas back And to come live with us I wanted to let him know how much we really needed him Fidel didn't answer my letter I kept writing him letters from a sweet and well behaved child a brave but sad girl Letters

resembling those of a secret spurned lover As a girl growing up in Cuba Alina Fernandez found nothing abnormal in the fact that Fidel Castro would occasionally visit her house bearing gifts just for her At the age of ten her mother finally told her the truth she was Castro s Daughter *The Secret Fidel Castro* Servando Gonzalez,2001 The Secret Fidel Castro is neither a history of the Cuban revolution nor a biography of Fidel Castro The book was written following what intelligence services call a CPP short for Comprehensive Personality Profile similar to the ones intelligence services keep on foreign leaders It focuses on different aspects of Castro s actions and personality which for some reasons have been either ignored misunderstood or misrepresented The main thesis of this book is that there are many different Castros The most widely known is the symbolic public one as it has been portrayed in official Cuban propaganda Castro friendly biographies and mainstream American media But there are also many secret Castros highly different from the public one The Secret Fidel Castro focuses on little known aspects of Castro s personality important in the better understanding of the man and his actions what really makes him tick California.
