She For God Aspects Of Women And Christianity:

She for God Katharine Moore, 1978 Christian Goddess Spirituality Mary Ann Beavis, 2015-10-08 This monograph focuses on Christian Goddess Spirituality CGS the phenomenon of mostly women who combine Christianity and Goddess Spirituality including Wicca Witchcraft Mary Ann Beavis's study provides ethnographic data and analysis on the lived religious experience of CGS practitioners drawing on interviews of over 100 women who self identify as combining Christianity and Goddess spirituality Although CGS also has implications for Goddess Spirituality and related traditions e.g Neopaganism Wicca here CGS is considered primarily as a phenomenon within Christianity However the study also shows that the fusion of Christian and Goddess spiritualities has had an impact on non Christian feminist spirituality since Goddess worshippers have often constructed Christianity as the diametrical opposite and enemy of the Goddess to the point that some refuse to admit the possibility that CGS is a valid spiritual path or that it is even possible In addition biblical Jewish and Christian images of the divine such as Sophia Shekhinah the Virgin Mary and even Mary Magdalene have found their way into the Pagan Goddess pantheon The main themes of the study include overlaps and differences between Christian feminist theology and CGS the routes to CGS for individual practitioners and their beliefs practices and experiences proto denominational classifications spiritual paths within CGS CGS theology Christian discourse about the female divine and the future of CGS in social scientific and ecclesiological context Christian Goddess Spirituality will be of interest to scholars of religion especially those with interests in women and religion feminist spiritualities feminist theology theology alternative spiritualities New Religious Movements and emergent Christianities *Women Preachers and Prophets through Two Millennia of Christianity* Beverly Mayne Kienzle, Pamela J. Walker, 2023-09-01 For nearly two millennia despite repeated prohibitions Christian women have preached Some have preached in official settings others have found alternative routes for expression Prophecy teaching writing and song have all filled a broad definition of preaching This anthology with essays by an international group of scholars from several disciplines investigates the diverse voices of Christian women who claimed the authority to preach and prophesy The contributors examine the centuries of arguments grounded in Pauline injunctions against women's public speech and the different ways women from the early years of the church through the twentieth century have nonetheless exercised religious leadership in their communities Some of them based their authority solely on divine inspiration others were authorized by independent minded communities a few were even recognized by the church hierarchy With its lively accounts of women preachers and prophets in the Christian tradition this exceptionally well documented collection will interest scholars and general readers alike For nearly two millennia despite repeated prohibitions Christian women have preached Some have preached in official settings others have found alternative routes for expression Prophecy teaching writing and song have all filled a broad definition *The Religious Imagination of American Women* Mary Farrell Bednarowski, 1999-10-22 This book is a nuanced discussion of contemporary feminist thought in a variety of religious

traditions It draws from both academic and popular writings and offers a rich selection of books to pursue on one's own Re

Imagining This remarkable book examines American women's religious thought in many diverse faith traditions This is a cogent provocative even moving analysis Publishers Weekly This study of the fruits of many different women's religious thought offers insights into the ways women may be shaping American religious ideas and world views at the end of the twentieth century At its broadest this book presents a multi-voiced response to the question When women across many traditions are heard speaking theologically publicly and self-consciously as women what do they have to say *Christian Humanism* John P. Bequette, 2007 In *Christian Humanism* John Bequette articulates the principles of the Christian humanist worldview and reflects upon contemporary culture in light of these principles Writing from the perspective of the Catholic faith Bequette focuses on the healing and restorative dimensions of Christianity in relation to academics literature economics Christian Jewish relations gender issues human life issues and political life

Women and Ordination in the Christian Churches Ian Jones, Kirsty Thorpe, Janet Wootton, 2008-07-31 The growth of women's ordained ministry is one of the most remarkable and significant developments in the recent history of Christianity This collection of essays brings together leading contributors from both academic and church contexts to explore Christian experiences of ordaining women in theological sociological historical and anthropological perspective Key questions include How have national denominational and ecclesial cultures shaped the different ways in which women's ordination is debated and/or enacted What differences have women's ordained ministry and debates on women's ordination made in various church contexts What unfinished business remains in both congregational and wider ministry How have Christians variously conceived ordained ministry which includes both women and men How do ordained women and men work together in practice What have been the particular implications for female clergy And for male clergy What distinctive issues are raised by women's entry into senior ordained leadership positions How do episcopal and non-episcopal traditions differ in this

Lesbian, Gay, Bisexual and Transgender Christians Bronwyn Fielder, Douglas Ezzy, 2017-12-14 *Lesbian Gay Bisexual and Transgender Christians* details the processes through which LGBT Christians resolve the fraught tensions between their religious sexual and gendered identities and examines the associated changes to their religious practice in the pursuit of authenticity The book moves between richly described first person accounts and clear theoretical analysis contextualising the discussion within contemporary theories of religion and same sex attraction Through careful qualitative research with LGBT Christians in the Australian Metropolitan Community Church MCC and the Uniting Church Bronwyn Fielder and Douglas Ezzy show that although painful self-questioning and struggle is experienced by some LGBT Christians many people ultimately find a resolution and a sense of peace with their sexual identity as LGBT Christians The pursuit of authenticity is shown to be driven by participants' essentialist understanding of sexuality and gender and the centrality of religiosity to their sense of self Offering insight into how participants transform their relationships emotions beliefs and ritual practices in order to make this

authentic life possible this study is an important contribution to the field of religion and sexuality

Feminist Theologies Kerrie Handasyde, 2024-09-30 *Feminist Theologies A Companion* explores the contemporary contours of the field With contributors from a diverse range of settings the volume captures the current diversity and richness of feminist theologies both in and beyond the academy Focusing both on theory and praxis chapters move from considering the outlines of the feminist agenda to exploring the relationship between academic feminist theology and ecclesial or personal spiritual and finally articulating how feminist theological outlooks manifest themselves in a variety of settings With contributions from Gina Zurlo Nancy Bedford Agnes Brazil Cathryn McKinney Rebekah Pryor Gale Yee Heather Eaton Al Barrett Simon Sutcliffe Hannah Bacon Lisa Isherwood Karen O Donnell Jane Chevous Alana Harris Antonia Sobocki Tina Beattie Janice McRandal Stephen Burns Cristina Lledo Gomez Michael W Brierley Claire Renkin HyeRan Kim Cragg Kerrie Handasyde Gail Ramshaw and Anne Elvey

Religion and Nation Kathryn Spellman, 2005-12-01 An estimated 75 000 Iranians emigrated to Britain after the 1979 revolution and the establishment of the Islamic Republic They are politically religiously socio economically and ethnically heterogeneous and have found themselves in the ongoing process of settlement The aim of this book is to explore facets of this process by examining the ways in which religious traditions and practices have been maintained negotiated and rejected by Iranians from Muslim backgrounds and how they have served as identity building vehicles during the course of migration in relation to the political economic and social situation in Iran and Britain While the ethnographic focus is on Iranians this book touches on more general questions associated with the process of migration transnational societies Diasporas and religious as well as ethnic minorities

The Feminine Face of Christianity Margaret Starbird, 2003 Early Christianity was fundamentally egalitarian but later influences conspired to curtail the role of women in the Church This text seeks to reclaim the gender balanced Christianity implicit in the Gospels It takes a historical look at the profound influence of women on the development of the Christian faith and uncovers a wealth of feminine symbols and icons found in Christianity exploring their influence on architecture literature and art

The Nature of the Religious Right Neall W. Pogue, 2022-04-15 In *The Nature of the Religious Right* Neall W Pogue examines how white conservative evangelical Christians became a political force known for hostility toward environmental legislation Before the 1990s this group used ideas of nature to help construct the religious right movement while developing theologically based eco friendly philosophies that can be described as Christian environmental stewardship On the twentieth anniversary of Earth Day in 1990 members of this conservative evangelical

community tried to turn their eco friendly philosophies into action Yet this attempt was overwhelmed by a growing number in the leadership who made anti environmentalism the accepted position through public ridicule conspiracy theories and cherry picked science Through analysis of rhetoric political expediency and theological imperatives The Nature of the Religious Right explains how ideas of nature played a role in constructing the conservative evangelical political movement why Christian environmental stewardship was supported by members of the community for so long and why they turned against it so decidedly beginning in the 1990s **Christian Advocate** ,1908 Jews, Christians, Muslims John Corrigan, Frederick Denny, Martin S Jaffee, Carlos Eire, 2016-01-08 Thematic examination of monotheistic religions The second edition of Jews Christians Muslims A Comparative Introduction to Monotheistic Religions compares Judaism Christianity and Islam using seven common themes which are equally relevant to each tradition Provoking critical thinking this text addresses the cultural framework of religious meanings and explores the similarities and differences among Judaism Christianity and Islam as it explains the ongoing process of interpretation in each religion The book is designed for courses in Western and World Religions **Christian and Lyric Tradition in Victorian Women's Poetry** F. Elizabeth Gray, 2009-09-10 In this study Gray examines the broadly neglected body of Victorian women s religious verse showing how women of the period used an array of inventive literary strategies to construct and wield provocative forms of authority Their deployment of biblical source trope and genre transfigured Christian and lyric traditions *A History of Women in Christianity to 1600* Hannah Matis, 2022-12-27 An overarching history of women in the Christian Church from antiquity to the Reformation perfect for advanced undergraduates and seminary students alike A History of Women in Christianity to 1600 presents a continuous narrative account of women s engagement with the Christian tradition from its origins to the seventeenth century synthesizing a diverse range of scholarship into a single easily accessible volume Locating significant individuals and events within their historical context this well balanced textbook offers an assessment of women s contributions to the development of Christian doctrine while providing insights into how structural and environmental factors have shaped women s experience of Christianity Written by a prominent scholar in the field the book addresses complex discourses concerning women and gender in the Church including topics often ignored in broad narratives of Christian history Students will explore the ways women served in liturgical roles within the church the experience of martyrdom for early Christian women how the social and political roles of women changed after the fall of Rome the importance of women in the re evangelization of Western Europe and more Through twelve chapters organized chronologically this comprehensive text Examines conceptions of sex and gender tracing back their roots to the Jewish Hellenistic and Roman culture Provides a unique view of key women in the Church in the Middle Ages including the rise of women s monasticism and the impact of the Inquisition Compares and contrasts each of the major confessions of the Church during the Reformation Explores lesser known figures from beyond the Western European tradition A History of Women in Christianity to 1600 is an essential textbook for undergraduate and
