Collins, 1987-12-24 Whether you want a dog want to farm want to compete or just want to know Sheepdog Training is an enlightening read from Glyn Jones a third generation expert sheepdog handler Learn a compassionate dog centered approach to raising and training herding dogs from choosing a dog to preparing for competitions *Think Like A Sheepdog Trainer* Kay Stephens, Beth Kerber, 2022-06-01 Think Like A Sheepdog Trainer looks at the ancient art of sheepdog training through the lens of science based learning theory and behavior analysis It is designed to help you understand how and why a method works and to give you the tools for setting up and evaluating training plans and for approaching training problems in a logical evidence based manner While there are good sheepdog training books available almost all of them assume the reader has a basic knowledge of sheep and sheep behavior the skill and experience to train a dog to do complex behaviors the ability to figure out training steps on their own and a clear mental picture of what a properly trained herding dog should look like This book covers several topics that will help you become a more successful sheepdog trainer Here s what you can expect 1 We discuss in detail how to train manage and communicate with your dog before you take him to sheep Without a proper relationship and training foundation working stock with your dog is extremely difficult 2 We introduce you to science based learning theory and explain how it can be used to speed up and improve your ability to train your dog We demonstrate how to evaluate and analyze training techniques so you can choose which ones work best for you and your dog 3 We describe and discuss the physical and mental traits a sheepdog trainer must cultivate to succeed People aren t born as excellent trainers training is a learned skill that must be practiced and refined 4 We explain the behavior and handling of sheep Understanding and knowing how to properly control sheep is essential to your journey in the world of sheepdog training Many newcomers to herding have no previous experience with sheep We provide some basic sheep handling exercises to improve your ability to control livestock 5 We offer detailed lesson plans that break down training sessions into very small and clearly explained steps that a novice handler can apply on her own This should help you with developing a daily lesson plan a goal for that day s lesson and a way to evaluate how you and your dog are progressing

You will discover that having a training plan and metrics to evaluate that plan will help you train faster and more efficiently 6 Finally we give you ways to think about training problems and how to approach and solve them in a logical evidence based manner Because people have been training dogs and herding with dogs for many years some of the methods described here are similar to those found in other books and from other sources We have chosen training approaches that are widely used least aversive and easily understood and implemented by an inexperienced trainer You will find our sources in the resources and recommended reading section at the end of the book Remember sheepdog training is a lifelong journey You will learn something new with every dog you train and with every competition that you enter We hope this book will help make that journey a little easier This book focuses on training Border Collies for United States Border Collie Handlers Association USBCHA type trials but the information is applicable to all herding breeds and herding venues **Talking Sheepdogs** Derek Scrimgeour, 2008-12-15 Accompanied by explanatory text color photographs and illustrations Talking Sheepdogs guides the reader from beginner stage to effective working sheepdog right through to supreme championship level using the Scrimgeour method of sheepdog training With plenty of sheepdog dog and anecdotes to make this book an enjoyable as well as information book Derek takes the reader through the special relationship starting a pup basic commands and driving the good and bad moves introducing the stop good foundations and starting trialling making this the key reference for anyone wanting to training their sheepdog for farm work *Weird Sports and Wacky Games around the World* Victoria R.
