She's smart, beautiful and seems to love Al Fatha as much as he does. And the chemistry between them is obvious. But he quickly discovers that Stella's vision of the country is far different from his and she's just as stubborn as he is. Can he stay with a woman who disagrees with him about his country's path no matter how strong his feelings are for her? Stella still can't believe she agreed to marry a man she'd never met and a king at that. But something in her gut tells her this was the right decision and not just because her new husband is gorgeous.

The Sheikh's Convenient Bride Leslie North, In a desperate attempt to get out from her father's control, Nora Williams agrees to marry a man she doesn't love. But she's shocked when her old friend Sheikh Rashid, whom she hasn't seen in years, begs her not to go through with it. Even more surprising, Rashid has a proposal. Literally, Nora should marry him instead. She had a secret crush on Rashid when they were younger, so the offer is awfully enticing. But Rashid is the crown prince of Omirabad; how could she possibly fit in with his royal family? And will she be able to follow her calling for midwifery the way she wants? Needs to. Worse, Rashid's proposal feels more like a business contract than a marriage proposal. Until they kiss, that is. Rashid never had any illusion that his marriage would be one of passion. As a member of the royal family, he's expected to marry before thirty and doesn't have time to find a woman he actually loves. Until he hears of Nora's predicament. He'd wanted to be more than friends when they were younger, but they'd never done more than exchange looks across a study table. Unfortunately, even with his proposal, he's still only a friend to her. Their marriage of convenience, though, lasts about two hours before unraveling into a state of wedded bliss, at least for Rashid. What he doesn't realize is how much Nora misses her midwifery work or how very unhappy she's become trapped in the palace. But the wife of a sheikh has no business working with his country's poor or being reckless about her safety. As the two slowly grow closer, they must reconcile Nora's calling with Rashid's responsibilities to his country. And discover if this marriage of theirs is real or just a terrible mistake.

The Safar Sheikhs Series Leslie North, Book One The Sheikh's Wife Arrangement Ancient law dictates that Sheikh Fatim Safar has to marry or be disinherited by his 30th birthday. Fatim isn't worried; he married years earlier and had two children with his wife before she died. But there's a catch: the law states he must be married at age 30. Two weeks from his 30th birthday, there's no time to change it or fight it; it's more expedient to marry. Calla Clark is out to prove her parents wrong. Instead of marrying well like her mother wanted, Calla's in the Middle East to prove her design prowess. And what better way to do that than becoming seamstress for the royal family and getting to drape fabric over the sexy Sheikh's rock-hard body? She can't act on her temptations, of course. She's got goals to crush. Still, when she watches the way the Sheikh commands his tribe and cares for his kids, she can't help but feel an undeniable attraction. Fatim has taken a liking to Calla, too. She's smart, thoughtful, and good with his children. With his birthday right around the corner, Fatim offers her the position as his wife. It's only temporary, and in return for marrying him and helping with his children, he'll give her everything she needs for the upcoming Fashion Week. Calla agrees so long as he helps keep her dream alive. Book Two The Sheikh's Instant Family Sheikh Amad has always gone with his gut, which is why his ventures abroad have multiplied his tribe's wealth and business connections. But with his 30th birthday approaching and with expectations that he be married by then, he's got to go home soon. That means leaving his life in Las Vegas and Vanessa, the sexy waitress he's falling for, behind. Vanessa

Hammerman has had to work for everything she's ever had left by every man from her father on up. Sheikh Amad has been fun, but she's not thinking of a long-term commitment with a Middle Eastern prince. She'd rather keep it fun until the pregnancy test comes back positive. Now she's out on the biggest limb of her life. Will this man run from her too? Or will he be the one to stay? It seems like fate when Vanessa tells Amad he's going to be a father and his marriage proposal is instantaneous. It's the perfect solution for fulfilling his duty while at the same time satisfying his heart. But when he brings her home to his tribe, he realizes his independent Western bride might not work so well in the traditional structure of the Middle East. Vanessa has put everything on the line for this: her heart, her career, and her life. So when she refuses to fall in line with Amad's expectations, they begin to doubt if they can make it work. But if they take the chance, love could become the biggest win of their lives.

Book Three: The Sheikh's Sham Engagement

Now, with her sister in remission, Willow is ready to follow her dream of bringing education to all parts of the world. Her first project: A newly minted international initiative in Nasser's country.
