

RICHARD HOLMES
SHELLEY
The Pursuit

A portrait of Percy Bysshe Shelley, looking directly at the viewer. He has dark, wavy hair and is wearing a dark coat with a large, white, ruffled collar. His right hand is visible at the bottom, holding a quill pen. The background is dark and textured.

‘Surely the best biography of Shelley ever
written . . . an extraordinary achievement’
STEPHEN SPENDER, *THE TIMES LITERARY SUPPLEMENT*

Illustrated

Shelley The Pursuit

Chandreyee Niyogi

Shelley The Pursuit:

Shelley Richard Holmes, 2005 Holmes shows the poet at every stage of his development acting upon and reacting to people and events Holmes lays great emphasis on the politics philosophy and social activities of Shelley **Shelley's Ambivalence** Christine Gallant, 1989-11-02 A study of Shelley's poetry approaching it from the viewpoint of contemporary Jungian analytical psychology that incorporates the theories of Melanie Klein and D W Winnicott Material that relates to the earliest stages of the ego's development to the pre Oedipal situation are used *Shelley's Poetry Of Involvement* Roland A Duerksen, 1988-11-29 *Shelley's Italian Experience* Alan M. Weinberg, 2016-07-27 Focusing on Shelley's Italian experience the present study both addresses itself to the living context which nurtured Shelley's creativity and explores a neglected but essential component of his work The poet's four years of self exile in Italy 1818-1822 were in fact the most decisive of his career As he responded to Italy his poetry acquired a new subtlety and complexity of vision Endowed with remarkably keen powers of absorption the poet imaginatively reshaped the rich cultural heritage of Italy and the vital qualities of its landscape and climate **Shelley's Process** Jerrold E. Hogle, 1989-01-12 In this set of thorough and revisionary readings of Percy Bysshe Shelley's best known writings in verse and prose Hogle argues that the logic and style in all these works are governed by a movement in every thought memory image or word pattern whereby each is seen and sees itself in terms of a radically different form For any specified entity or figure to be known for what it is it must be reconfigured by and in terms of another one at another level which must then be dislocated itself In so delineating Shelley's process Hogle reveals the revisionary procedure in the poet's various texts and demonstrates the powerful effects of radical transference in Shelley's visions of human possibility **Shelley's Style** William Keach, 2016-01-08 First published 1984 In a provocative study this book argues that the problems posed by Shelley's notoriously difficult style must be understood in relation to his ambivalence towards language itself as an artistic medium the tension between the potential of language to mirror emotional experience and the recognition of its inevitable limitations Through an exposition of Shelley's idea of language as reflected in his theoretical writings and individual poems this book makes a strong case for his artistic worth A definitive introduction to Shelley useful for both scholars and newcomers this book will be of interest to students of literature *At the Center of the Circle: Harriet de Boinville (1773-1847)* Barbara de Boinville, 2023-04-04 This biography of a vital player in Revolutionary circles offers us an important role model a fearless woman almost lost to the fog of history Charlotte Gordon Ph D author of *Romantic Outlaws* winner of the National Book Critics Circle award for biography This first ever biography of Harriet de Boinville explores her close relationships with Mary Shelley Percy Bysshe Shelley and other leading writers of the Romantic era but also tells the gripping story of Harriet's early years as the wife of an aristocratic military officer during the French English Wars when she experienced a naval attack in the Caribbean a shipwreck off the coast of France and detention as a suspected spy in Dunkirk Combining literary history and gender study with the engaging story of a courageous and caring

woman this ground breaking book has generated extraordinary praise from renowned authors and experts fascinating history but it s also an adventure tale and a romance Cory Flintoff NPR former foreign correspondent Harriet de Boinville most engages with her vibrant and resilient self Her generous personality shines through the letters quoted in this fascinating biography Janet Todd Ph D author of *Death and the Maidens* and former president of Cambridge University s Cavendish College Fascinating Lives like Harriet de Boinville s fill out the story of those formative times as nothing else can Fiona Sampson Ph D author of *Two Way Mirror* a Washington Post Book of the Year meticulously researched and fluidly written At the Center of the Circle tells the compelling story of a remarkably influential woman Kristin Samuelian Ph D Associate Professor at George Mason University and author of *Royal Romances* [The Complete Poetical Works of Percy Bysshe Shelley](#) ,1901 **The Domestication of Genius** Julian North,2009-11-19 Focusing on the Lives of Byron Shelley Wordsworth Coleridge Felicia Hemans and Letitia Landon North explores how biographies by writers including Thomas Moore Mary Shelley Thomas De Quincey both perpetuated and by revealing private weaknesses and domestic failures challenged the myth of the Romantic poet **The Gilded Chalet** Padraig Rooney,2016-09-27 Part detective work part treasure chest full of history and scandal The Gilded Chalet takes you on a grand tour of two centuries of great writing by both Swiss and foreign authors and shows how Switzerland has always been at the center of literary Europe Two centuries after the Romantics went there to invent Gothic horror the lure of Switzerland hasn t left us Writers from the Fitzgeralds to Fleming Highsmith to Hemingway Conan Doyle to le Carr came to escape world wars political persecution tuberculosis They came for sanctuary from oppression or the tax man for fresh air and nude sunbathing for scenery resembling as Rooney puts it Mother Nature on steroids Patricia Highsmith spent her last years in a granite home in Ticino with a fridge containing little but peanut butter and vodka Hermann Hesse had himself buried to the neck as a cure for alcoholism Nabokov chased butterflies and played tennis on the hotel courts When it comes to literature it seems all roads lead to Switzerland Padraig Rooney peers through the chalet windows and discovers how Switzerland has influenced some of the greatest authors and characters of literature [Madness and the Romantic Poet](#) James Whitehead,2017-07-21 Madness and the Romantic Poet examines the longstanding and enduringly popular idea that poetry is connected to madness and mental illness The idea goes back to classical antiquity but it was given new life at the turn of the nineteenth century The book offers a new and much more complete history of its development than has previously been attempted alongside important associated ideas about individual genius creativity the emotions rationality and the mind in extreme states or disorder ideas that have been pervasive in modern popular culture More specifically the book tells the story of the initial growth and wider dissemination of the idea of the Romantic mad poet in the nineteenth century how and why this idea became so popular and how it interacted with the very different fortunes in reception and reputation of Romantic poets their poetry and attacks on or defences of Romanticism as a cultural trend generally again leaving a popular legacy that endured into the twentieth century Material

covered includes nineteenth century journalism early literary criticism biography medical and psychiatric literature and poetry A wide range of scientific and pseudoscientific thinkers are discussed alongside major Romantic authors including Wordsworth Coleridge Blake Hazlitt Lamb Percy Bysshe Shelley Keats Byron and John Clare Using this array of sources and figures the book asks was the Romantic mad genius just a sentimental stereotype or a romantic myth Or does its long popularity tell us something serious about Romanticism and the role it has played or has been given in modern culture

The Orphaned Imagination Guinn Batten, 1998 Studies of the English Romantic poets generally portray them either as transcending the workings of capitalism or as working in complicity with an entrepreneurial economy In *The Orphaned Imagination* Guinn Batten challenges standard accounts of Romantic poetry and argues that Wordsworth Byron Blake Shelley Keats and Coleridge each of whom suffered the loss of a father or father figure at an early age possessed an orphan's special insight into the dynamics and aesthetics of commodity culture and its symptomatic melancholia Building on the theoretical insights of Slavoj Žižek Judith Butler Julia Kristeva and Eve Kosofsky Sedgwick Batten interweaves the discourses of psychoanalysis economics biography sexuality melancholy value and exchange to question accepted ideas of how Romantic poetry works She asserts that poetic labor is in fact paradigmatic of the kinds of production and the kinds of desire that capitalist culture renders invisible If symbolic exchange in cash or in words requires the surrender of a beloved object if healthy mourning requires an orphan to work through emotional loss through the consolation of art or a love for the living then the rebellious Romantic poet Batten contends possessed unique insight into the alternative authority of a poetic language that renounced a culture of denial Batten urges that scholars move beyond critical approaches condemning allegedly regressive forms of pleasure recognizing that they too are haunted by melancholic attachments to dead poets as they conduct their work *The Orphaned Imagination* will interest anyone concerned with the claims of the English Romantic poets to a distinctive valuable form of knowledge and those who may wonder about the power of contemporary theory to illuminate a traditional field

Romanticism and the Letter Madeleine Callaghan, Anthony Howe, 2020-01-29 *Romanticism and the Letter* is a collection of essays that explore various aspects of letter writing in the Romantic period of British Literature Although the correspondence of the Romantics constitutes a major literary achievement in its own right it has received relatively little critical attention Essays focus on the letters of major poets including Wordsworth Byron Shelley and Keats novelists and prose writers including Jane Austen Leigh Hunt and Charles Lamb and lesser known writers such as Melesina Trench and Mary Leadbeater Moving from theories of letter writing through the period's diverse epistolary culture to essays on individual writers the collection opens new perspectives for students and scholars of the Romantic period

[A Modern Poetics of Biography](#) Zhengrun Yang, 2025-09-02 This book provides a comprehensive study of biography to summarize the standard forms as well as a range of peripheral and expanded forms of auto biography Discussion and analyses to be done at three levels namely ontology typology and writing It is drawn from local and international theories in

biography in addition to related disciplines in particular for those of the twentieth century and summarizing the experiences of the writing of classics in both Chinese and Western biographical history the study establishes a theoretical system of biography This book can serve as a useful reference for postgraduate students and professional readers who are interested in biographical research Reorienting Orientalism Chandreyee Niyogi, 2006-04-14 Revised version of papers presented at the International Conference Rereading Orientalism held at Kolkata in August 2004 **30 Great Myths about the Romantics** Duncan Wu, 2015-05-06 Brimming with the fascinating eccentricities of a complex and confusing movement whose influences continue to resonate deeply 30 Great Myths About the Romantics adds great clarity to what we know or think we know about one of the most important periods in literary history Explores the various misconceptions commonly associated with Romanticism offering provocative insights that correct and clarify several of the commonly held myths about the key figures of this era Corrects some of the biases and beliefs about the Romantics that have crept into the 21st century zeitgeist for example that they were a bunch of drug addled atheists who believed in free love that Blake was a madman and that Wordsworth slept with his sister Celebrates several of the mythic objects characters and ideas that have passed down from the Romantics into contemporary culture from Blake's Jerusalem and Keats's Ode on a Grecian Urn to the literary genre of the vampire Engagingly written to provide readers with a fun yet scholarly introduction to Romanticism and key writers of the period applying the most up to date scholarship to the series of myths that continue to shape our appreciation of their work *Byron and John Murray* Mary O'Connell, 2015-01-05 Byron and John Murray A Poet and His Publisher is the first comprehensive account of the relationship between Byron and the man who published his poetry for over ten years It is commonly seen as a paradox of Byron's literary career that the liberal poet was published by a conservative publishing house It is less of a paradox when as this book illustrates we see John Murray as a competitive innovative publisher who understood how to deal with his most famous author The book begins by charting the early years of Murray's success prior to the publication of Childe Harold's Pilgrimage and describes Byron's early engagement with the literary marketplace The book describes in detail how Byron became one of Murray's authors before documenting the success of their commercial association and the eventual and protracted disintegration of their relationship Byron wrote more letters to John Murray than anyone else and their correspondence represents a fascinating dialogue on the nature of Byron's poetry and particularly the nature of his fame It is the central argument of this book that Byron's ambivalent attitude towards professional writing and popular literature can be illuminated through an understanding of his relationship with John Murray *Romantic Atheism* Martin Priestman, 2000-01-27 Romantic Atheism explores the links between English Romantic poetry and the first burst of outspoken atheism in Britain from the 1780s onwards Martin Priestman examines the work of Blake Coleridge Wordsworth Shelley Byron and Keats in their most intellectually radical periods establishing the depth of their engagement with such discourses and in some cases their active participation Equal attention is given to less canonical writers such poet

intellectuals as Erasmus Darwin Sir William Jones Richard Payne Knight and Anna Laetitia Barbauld and controversialists including Holbach Volney Paine Priestley Godwin Richard Carlile and Eliza Sharples these last two in particular representing the close links between punishably outspoken atheism and radical working class politics Above all the book conveys the excitement of Romantic atheism whose dramatic appeals to new developments in politics science and comparative mythology lend it a protean energy belied by the common and more recent conception of loss of faith **Biofictions** Martin Middeke, Werner Huber, 1999 Biofictions sets out to explore this renewed interest in Romantic artist figures in the context of the current renaissance of life writing Shelley's Music Paul A. Vatalaro, 2016-01-13 First published in 2009 This book argues that the images of and allusions to music in Shelley's writing demonstrate his attempt to infuse the traditionally masculine word with the traditionally feminine voice and music This further extends to his even more fundamental desire to integrate the object voice with his own subjectivity For Shelley what plagues this integration is the prospect of losing both the poet's authority and the subjectivity upon which it relies This book asserts that the resultant deadlock and instability paradoxically becomes Shelley's ultimate goal creating a steady state of suspension that finally preserves both his authority and his humanity

Eventually, you will totally discover a extra experience and carrying out by spending more cash. still when? accomplish you receive that you require to get those all needs once having significantly cash? Why dont you try to get something basic in the beginning? Thats something that will guide you to understand even more concerning the globe, experience, some places, in imitation of history, amusement, and a lot more?

It is your very own period to perform reviewing habit. in the midst of guides you could enjoy now is **Shelley The Pursuit** below.
