The Letters of Percy Bysshe Shelley Percy Bysshe Shelley, 1914 *The New Annotated Frankenstein* Mary Shelley, 2017-08-08 GUILLERMO DEL TORO'S *FRANKENSTEIN* PREMIERES ON NETFLIX NOVEMBER 2025 Two centuries after its original publication Mary Shelley's classic tale of gothic horror comes to vivid life in what may very well be the best presentation of the novel to date Guillermo del Toro Remarkably a nineteen year old writing her first novel penned a tale that combines tragedy morality social commentary and a thoughtful examination of the very nature of knowledge writes best selling author Leslie S Klinger in his foreword to *The New Annotated Frankenstein* Despite its undeniable status as one of the most influential works of fiction ever written Mary Shelley's novel is often reductively dismissed as the wellspring for tacky monster films or as a cautionary tale about experimental science gone haywire Now two centuries after the first publication of *Frankenstein* Klinger revives Shelley's gothic masterpiece by reproducing her original text with the most lavishly illustrated and comprehensively annotated edition to date Featuring over 200 illustrations and nearly 1 000 annotations this sumptuous volume recaptures Shelley's early nineteenth century world with historical precision and imaginative breadth

tracing the social and political roots of the author's revolutionary brand of Romanticism Braiding together decades of scholarship with his own keen insights Klinger recounts Frankenstein's indelible contributions to the realms of science fiction feminist theory and modern intellectual history not to mention film history and popular culture The result of Klinger's exhaustive research is a multifaceted portrait of one of Western literature's most divinely gifted prodigies a young novelist who defied her era's restrictions on female ambitions by independently supporting herself and her children as a writer and editor Born in a world of men in the midst of a political and an emerging industrial revolution Shelley crafted a horror story that beyond its incisive commentary on her own milieu is widely recognized as the first work of science fiction The daughter of a pioneering feminist and an Enlightenment philosopher Shelley lived and wrote at the center of British Romanticism the exuberant young movement that rebelled against tradition and reason and with a rebellious scream gave birth to a world of gods and monsters del Toro Following his best selling *The New Annotated H P Lovecraft* and *The New Annotated Sherlock Holmes* Klinger not only considers Shelley's original 1818 text but for the first time in any annotated volume traces the effects of her significant revisions in the 1823 and 1831 editions With an afterword by renowned literary scholar Anne K Mellor *The New Annotated Frankenstein* celebrates the prescient genius and undying legacy of the world's first truly modern myth *The New Annotated Frankenstein* includes Nearly 1 000 notes that provide information and historical context on every aspect of Frankenstein and of Mary Shelley's life Over 200 illustrations including original artwork from the 1831 edition and dozens of photographs of real world locations that appear in the novel Extensive listings of films and theatrical adaptations An introduction by Guillermo del Toro and an afterword by Anne K Mellor **The Collected Letters of Robinson Jeffers, with Selected Letters of Una Jeffers** Robinson Jeffers, Una Jeffers, 2009 v 1 1890 1930 2009 **Shelley and the Romantic Revolution** , *Almost Invincible* Suzanne Burdon, 2019-03-01 She is singularly bold somewhat imperious and active of mind Her desire of knowledge is great and her perseverance in everything else she undertakes almost invincible Mary Shelley began *Frankenstein* in 1814 when she was eighteen By then she had been living for two years in a scandalous relationship with the poet Percy Bysshe Shelley who was already married with children The novel was conceived in a contest with him and Lord Byron to tell ghost stories When she eloped with Shelley Mary had been quite prepared to suffer condemnation from society It was much harder to cope with her jealousy of Claire her step sister who had run away with them and was also in love with Shelley During the nine turbulent years Mary and Shelley were together Claire was the ever present third whose manipulative behaviour often drove Mary to despair Shelley was little help his unconventional attitudes to love strained her devotion to its limits They moved constantly throughout England Switzerland and Italy escaping creditors censorious families and ill health It was in Italy that they found their spiritual home their paradise of exiles but it was also there that the loss of her children nearly broke Mary's spirit Her writing became her grip on sanity and Shelley never wavered from his belief in her creative genius as she believed in his Byron, Shelley, Hunt, and "The Liberal" William

Harvey Marshall,2017-01-30 This book is a volume in the Penn Press Anniversary Collection To mark its 125th anniversary in 2015 the University of Pennsylvania Press rereleased more than 1 100 titles from Penn Press s distinguished backlist from 1899 1999 that had fallen out of print Spanning an entire century the Anniversary Collection offers peer reviewed scholarship in a wide range of subject areas **Shelley and the Romantic Revolution** F.A. Lea,2016-01-08 First published in 1945 In this work the author seeks to correct the misinterpretation and incorrect labelling of Shelley s thought While not neglecting Shelley as a poet this book focuses on his contributions made to the general movement of political and philosophical thought of his era and by so doing his relevance to contemporary issues This title will be of interest to students of literature **Being Shelley** Ann Wroe,2008-12-10 From Ann Wroe a biographer of the first rank comes a startlingly original look at one of the greatest poets in the Western tradition Being Shelley aims to turn the poet s life inside out rather than tracing the external events of his life she tracks the inner journey of a spirit struggling to create In her quest to understand the radically unconventional Shelley Wroe pursues the questions that consumed the poet himself Shelley sought to free and empower the entire human race his revolution was meant to shatter illusions shock men and women with new visions find true love and liberty and take everyone with him Now for the first time this passionate quest is put at the center of his life The result is a Shelley who has never been seen in biography before *Shelley: The Pursuit* Richard Holmes,2013-03-20 Shelley The Pursuit is the book with which Richard Holmes the finest literary biographer of our day made his name Dispensing with the long established Victorian picture of Shelley as a blandly ethereal character Holmes projects a startling image of a darker and more earthly crueller and more capable figure Expelled from college disowned by his aristocratic father driven from England Shelley led a life marked from its beginning to its early end by a violent rejection of society he embraced rebellion and disgrace without thought of the cost to himself or to others Here we have the real Shelley radical agitator atheist apostle of free love but above all a brilliant and uncompromising poetic innovator whose life and work have proved an essential inspiration to poets as varied as W B Yeats and Allen Ginsberg Catalog of Copyright Entries.
