Long Time Between Kisses Sandra Scoppettone,1982 **The Rubber Room** Ivan Bosanko,2010-06-15 During the 1950s change was eminent Times were changing music was changing fashions were changing war was changing the world and life as KateLynn and Jerry knew it was changing whether they liked it or not When a wonderful night changes their lives forever KateLynn and Jerry are thrown into a whole new world one they never thought possible After years of their love struggling to stay afloat more challenges and changes are thrown at them and neither knows if their love can withstand it After struggling and fighting to stay together once again another moment changes their lives forever Will it ever be KateLynn and Jerry s time or will fate throw them another loop **The Seven Realms: The Complete Series** Cinda Williams Chima,2014-11-25 Enter the world of the Seven Realms For the first time all four books of the critically acclaimed and New York Times bestselling Seven Realms series are available in one place Packed with romance action intrigue and adventure The Demon King The Exiled Queen The Gray Wolf Throne and The Crimson Crown are epic fantasy at its very best **When the Dogwoods Bloom** Collin S. Douglas,2012-02 The year is 2030 the United States has gone through a radical change Only government agencies have access to the internet and cell phones The morality of the country is non existent However it is also a time of great discoveries in the field of medicine Yet those are overshadowed by greed In all major cities there is a section called Sex Town A place where anyone can get anything of a sexual nature and it s legal Streets have been renamed and moved to make room for these places The story follows the investigation of a reporter named Noah Wolfe He is investigating the deaths and mutilations of young teenage prostitutes You will follow him through his investigation knowing only what he sees hears and thinks **No More Grace** Sandy Appleyard,2023-02-27 The perfect lie The deception that goes viral The truth that should set them free but instead it threatens to kill Rachel Lewis has it all Being a business consultant she has a long list of successes but an even longer list of potential relationships that she s never had Until she meets Drake a man with the perfect match for everything a drowning business a rock solid work ethic and unheard of talent But just when she s about to cross that line between business and pleasure a life or death lie ruins it all or so she thinks Drake Hatcher left the nest years ago to start a business This is what he tells people Including his own family But deep in the bowels of his childhood lies a painful memory that s been locked away for decades His brothers hate him His folks miss him Town elders know the real story But when he comes home with a failed business and a broken heart he meets Rachel and suddenly things aren t nearly as dire Until he learns a secret from Rachel s best friend Kiley that throws everything into a tailspin And it s all about to blow up in the town s face at the hands of a madman who s been watching from behind the scenes and knows the perfect time to strike HEA Happily Ever After Small town romance Ranch romance Medical romance Second chance romance Medium heat Course language Cliffhanger ending **Where the Young Child was** Marie Conway Oemler,1921 **The Whirlwind** Rupert Hughes,1902 **An Inconvenient Kiss** Caroline Kimberly,2014-07-14 A daring woman meets her match

in the first book of the Regency romance series featuring the charming and seductive Ashford brothers India 1820 Georgiana Phillips always conducted herself according to the rules of polite society So catching Simon Ashford in a compromising position should have been shocking Instead it was arousing And kissing him herself was absolutely delicious until it led to her ruination That perfect scandalous kiss has haunted Simon for six years He doesn't regret it though he's tried desperately to restore Georgie's reputation When he's ordered to look after her in the wilds of India it's an opportunity to finish what he started But he's no match for Georgie's adventurous spirit she seems set on getting herself killed diving in after hungry crocodiles and braving monsoons to hunt for lost treasure Georgie wouldn't trade her exciting new life for anything in the world including marriage And yet Simon seems determined to rein her in rewarding her brief moments of propriety with kisses far more exotic than any tribal ceremony or archaeological expedition How can he convince her that she's so much more than a beautiful obligation I'd heard this book compared to the movie *Romancing the Stone* and I can definitely see the action romance parallel gives readers a bit of an adventure and more depth of characterization than one often finds in a fast paced high action novel All About Romance **Catalog of Copyright Entries** Library of Congress.
