Closure Bruce Eberts, 2023-06-15 In 1984 the students at Tear Falls High School in Northern Ontario were terrorized by a group of four bullies who used any means possible to exert control over their peers Their favorite targets were four best friends Kevin Doug Art and Nelson and the abuse was relentless Nearly forty years later Kevin has died by suicide and Doug is diagnosed with a fatal disease Now living in Southern Ontario the three men try to move forward with an exciting new business venture but the trauma of these recent events causes old high school memories to resurface How much did the abuse impact who the men became Have they overcome their anger and their shame One day the men read in the newspaper that one of their high school bullies has been murdered Hamilton detective Tim Bennet begins to investigate uncovering a disturbing detail about the way the victim died In a matter of months a second and then a third bully is murdered Who is executing these men and why are they leaving such an alarming calling card Is there time to catch the killer and save the fourth man in the group of bullies the kingpin Or will his death finally bring closure

Soft Focus Jayne Ann Krentz, 2000-10-01 With her hallmark blend of sparkling style and wit intricate suspense and steamy passion Jayne Ann Krentz is truly one of a kind One of today s premier storytellers she has more than twenty three million copies of her novels in print Now the phenomenal New York Times bestselling author spins her latest scintillating tale a story of two people bound together by that most binding of ties a business contract Elizabeth Cabot is all business She knows how to maximize her investments and cut her losses in both her career and her personal life

So when she discovers that Jack Fairfax has deceived her she's determined to end their relationship. Putting a stop to their budding romance is easy. But breaking up their business deal will be more difficult. Despite all her efforts she has no luck disentangling herself from Jack's client company Excalibur. But the situation becomes even more strained when a new obstacle emerges a lethal act of sabotage that could put both of them out of business for good. Elizabeth is no fool. If she can help Jack save Excalibur she'll recoup her substantial investment plus millions in profit. Putting her emotions aside she insists on helping him search for the scientist who's disappeared with a valuable new crystal that could revolutionize the high tech industry. She'll go in solve the problem and get out. The trail leads Elizabeth and Jack to a fringe film festival but their goal is as elusive as the shadowy black and white images from classic noir films. Life starts to imitate art and double dealing seems to be the name of the game. For these business adversaries turned reluctant partners keeping an eye on each other and the lid on a sizzling attraction seems the only insurance against further treachery. But with millions at stake trust can turn to betrayal in the blink of an eye.
