The Long Road to Freedom T.J. Humphries, 2023-03-03 People in my position must often ask themselves what the answer is How did I get here At what cost And how did I finally come out on the other side into a world where the grass is green and smells fresh And where life is worth living and relishing for every last facet of its existence a place where utopia can exist for the simplest of men It is ironic that what finally triggered my debut book was being handed the psychiatric report on our youngest daughter's suicide People always say that inside every good journalist is a book and I always joked that that ruled me out in that case But then I thought about what everyone is looking for the secret of a happy life And this story is about the journey that it took to get there We will never be able to bring her back Obviously But we can take massive strides towards rebuilding a family that was once so strong and bringing it back to a time when laughter really was the most valuable thing we had You will laugh and you will cry in equal measure and hopefully somewhere along the way you will be inspired But what you could not do no matter how you tried is make any of this stuff up

My Long Road to Freedom Jenny Chapman, 2017-09-18 My Long Road to Freedom By Jenny Chapman So much in the life of Jenny Chapman seemed against her She has written about her life from the age of three to her present age of 74 years She was born in the hardships of the Second World War At the age of three her father started to abuse her sexually Chapman was also brought up in a strict
