An Evening of Long Goodbyes Paul Murray, 2007-12-18 Vastly entertaining and outright hilarious Paul Murray's debut heralds the arrival of a major new Irish talent His protagonist is endearing and wildly witty part P G Wodehouse's Bertie Wooster with a cantankerous dash of A Confederacy of Dunces Ignatius J Reilly thrown in With its rollicking plot and colorful characters *An Evening of Long Goodbyes* is a delightful and erudite comedy of epic proportions Charles Hythloday observes the world from the comfortable confines of Amaurot his family estate and doesn't much care for what he sees He prefers the black and white sanctum of classic cinema especially anything starring the beautiful Gene Tierney to the roiling and rumbling of twenty first century Dublin At twenty four Charles aims to resurrect the lost lifestyle of the aristocratic country gentleman contemplative walks an ever replenished drink and afternoons filled with canapés as prepared by the Bosnian housekeeper Mrs P But Charles's cozy existence is about to face a serious shake up His sister Bel an aspiring actress and hopeless romantic has brought to Amaurot her most recent and to Charles's mind most ill advised

boyfriend Frank is hulking and round and resembles nothing so much as a large dresser probably a Swedish one He bets on greyhounds and talks endlessly of brawls and pubs in an accent that brings tears to Charles's eyes And most suspiciously his entrance into the Hythlodays lives just happens to coincide with the disappearance of an ever increasing number of household antiques and baubles Soon Charles and Bel discover that missing heirlooms are the least of their worries they are simply not as rich as they have always believed With the family fortune teetering in the balance Charles must do something he swore he would never do get a job Booted into the mean streets of Dublin he is as unprepared for real life as Frank would be for a cotillion And it turns out that real life is a tad unprepared for Charles as well

The Long Run Michael Seibert,

THE GREEN FOREST FAIRY BOOK - 11 Illustrated

children's tales from long, long ago Loretta Ellen Brady,2018-09-15 Herein are 11 tales taken from the time when the earth was young In those days indeed the grown folk all loved wonder tales as well as children love them now and were not worse because of it Sometimes these wonder tales were told by magic chairs or chests sometimes by birds or beasts that were enchanted and had power of speech It is from these wonder tales that these 11 stories have been selected The stories in this volume are I Dame Grumble and Her Curious Apple Tree II A Tale of the Northland Kingdom III The Little Tree that Never Grew Up IV The Tale of Punchinello V The Strange Tale of the Brown Bear VI The Beggar Princess VII Sweep and Little Sweep VIII Kings and Queens and Peasant Folk IX The Goose Girl and the Blue Gander X The Little Brown Man XI A Tale for Halloween These tales are from long long ago when all the world was young and there were but few people dwelling on it the strangest things would often come to pass This was the time when fairyfolk still lived in the greenwoods and elves sang and danced in the soft summer dawns Then trees could sing and flowers speak and birds would carry messages about the world wild beasts were not always wild and ferocious and were often loyal friends to men and helped them in their difficulties In these old days most noble dukes and earls would fall in love with dairymaids whose gentle ways and manners charmed their hearts Sometimes great kings grew weary of the splendor of their courts and left their thrones to live a simple life Each princess had a fairy godmother who showered her with magic gifts Wise men read the stars and seers would gaze in crystal bowls to tell the coming good or ill they saw In those old days the housewives left a bit of bread and cheese upon the pantry shelf each evening that the brownie who was said to dwell in every kitchen might have a midnight feast These

brownies twas said also would make much mischief if they were not treated very well In early dawns when fields of flowers were a sparkle with dew and sunlight the milkmaids used to bathe their eyes and ears with dew that they might see the fairyfolk forever afterward and hear them sing at midnight in the surrounding glens The farmers boys would search among the hedges in hopes of meeting The Red Caps who were said to bring much luck These Red Caps too were said to give a magic purse of gold to those they fancied a purse that was always brimful no matter what was spent from it Witches still rode broomsticks through the skies and there were wishing wells and magic charms and spells So we invite you to curl up with this unique sliver of Fairy culture not seen in print for over a century and immerse yourself in the tales and fables of yesteryear CHALLENGE Every story is terminated with an illustrated tailpiece In this book it is an illustration of mushrooms and plants See if you can help young readers spot which illustration they have been taken from 10% of the net sale will be donated to charities by the publisher TAGS fairy tales folklore myths legends children s stories children s stories bygone era fairydom fairy land classic stories children s bedtime stories happy place happiness top of the morning Princess Dame Grumble Curious Apple Tree Northland Kingdom Little Tree Never Grow Up Punchinello Strange Tale Brown Bear Beggar Princess Sweep Little Sweep Kings Queens Peasant Folk Goose Girl Blue Gander Little Brown Man Halloween when the world was young long long ago magic chairs magic chest speaking birds beasts enchanted enchantments power of speech

everyday They re looking for the answer to the deepest question of human experience How do I find the freedom I crave and become the person I long to be Too often though they re scared to risk too much to find the answer so they simply continue to lead lives of quiet desperation Rick Lawrence says that s exactly the problem We ve seen too much We know too much And so we manage our risk so well that we choke off the very fuel that our soul needs to stay alive In fact risk should be a primary aspect of our relationship with Jesus not the thing we avoid In this book Lawrence argues that if we pay attention to the way Jesus related to people we discover that he asked every person he ever met to put their skin in the game invest part of themselves Only then did they find the life they always longed for Lawrence asks eight key questions including Will you embrace your shame Will you receive grace Will you confront your fears Will you wait even when all hope is lost With a vigorous fast paced and conversational style he uses these questions plus stories straight from Scripture and pop culture corollaries to explore the kinds of risks we find in our lives today and how to stop waiting and start going all in for Jesus
