Longing A Novel Of Love And War:

Love and War John Eldredge, Stasi Eldredge, 2009-12-15 What the Eldredge bestsellers *Wild at Heart* did for men and *Captivating* did for women *LOVE WAR* will do for married couples everywhere John and Stasi Eldredge have contributed the quintessential works on Christian spirituality through the experience of men and the experience of women and now they turn their focus to the incredible dynamic between those two forces With refreshing openness that will grab readers from the first page the Eldredges candidly discuss their own marriage and the insights they've gained from the challenges they faced Each talks independently to the reader about what they've learned giving their guidance personal immediacy and a balance between the male and female perspectives that has been absent from all previous books on this topic They begin *LOVE WAR* with an obvious but necessary acknowledgement Marriage is fabulously hard They advise that the sooner we get the shame and confusion off our backs the sooner we'll find our way through *LOVE WAR* shows couples how to fight for their love and happiness calling men and women to step into the great adventure God has waiting for them together Walking alongside John and Stasi Eldredge every couple can discover how their individual journeys are growing into a story of meaning much greater than anything they could do or be on their own [Zen Under Fire: A New Zealand Woman's Story of Love & War in Afghanistan](#)

Marianne Elliott, 2012-02-22 I am about to be left in charge of the office I'm not sure I am ready for the responsibility so I double check with my boss He reassures me You'll be fine Marianne As long as no one kills Amanullah Khan you'll be fine By midday Amanullah Khan is dead In 2006 Marianne Elliott a human rights lawyer from New Zealand was stationed with the UN in Herat Several months into her new role an important tribal leader is assassinated while she is in charge of the local UN office She must try to defuse the situation before it leads to widespread bloodshed And this is just the beginning of her story in Afghanistan *Zen Under Fire* is a vivid account of Marianne's experience living and working in the world's most notorious battlefield As well as sharing the incredible details of her UN role Marianne tells the very personal story of the shattering effect that the high stress environment had on her and her relationships and asks what it really means to do good in a country that is under siege from within This is an honest moving and at times terrifying true story of a woman's time peacekeeping in one of the most dangerous places on earth Also available as an eBook **Love & War in California**

Oakley Hall, 2014-09-16 The Sweeping Novel of a Twentieth Century California Life *Love and War in California* tells the story through the eyes of Payton Daltrey of the last sixty years of an evolving America The award winning author Oakley Hall begins his newest work in 1940s San Diego where his endearing wide eyed narrator must define his identity in terms of self family and World War II As his classmates disappear into the war one by one he becomes obsessed with abuses of power and embroiled with the charming dangerous Errol Flynn with the Red Baiting of the American Legion with the House Un American Activities Committee and with the Japanese interment at Manzanar Nevertheless Payton too must go to the war where he is a part of the invasion of Europe and that proving of the American soldier the Battle of the

Bulge After war s end and time in New York he returns to California as a writer and a seeker whose old long lost love rises from the ashes to show him who he really is Hall has been called a master craftsman Amy Tan with one of the finest prose styles around Michael Chabon and he has received the PEN Center USA West Award of Honor and the P W Writers for Writers Award Coming on the heels of Hall s San Francisco Chronicle bestseller a reissue of his classic Western Warlock Love and War in California is more than a novel about a young boy who grows old It s about how the passions of youth become the verities of age and how we evolve as a nation a country and a people during times that are all at once turbulent dangerous and stirring

Women and the War Story Miriam Cooke,2023-09-01 In a book that radically and fundamentally

revises the way we think about war Miriam Cooke charts the emerging tradition of women's contributions to what she calls the War Story a genre formerly reserved for men Concentrating on the contemporary literature of the Arab world Cooke looks at how alternatives to the master narrative challenge the authority of experience and the permission to write She shows how women who write themselves and their experiences into the War Story undo the masculine contract with violence sexuality and glory There is no single War Story Cooke concludes the standard narrative and with it the way we think about and conduct war can be changed As the traditional time space organization and representation of war have shifted so have ways of describing it As drug wars civil wars gang wars and ideological wars have moved into neighborhoods and homes the line between combat zones and safe zones has blurred Cooke shows how women's stories contest the acceptance of a dyadically structured world and break down the easy oppositions home vs front civilian vs combatant war vs peace victory vs defeat that have framed and ultimately promoted war In a book that radically and fundamentally revises the way we think about war Miriam Cooke charts the emerging tradition of women's contributions to what she calls the War Story a genre formerly reserved for men Concentrating on the contemporary literature

The War of My Generation David Kieran, 2015-08-04 Following the 9 11 attacks approximately four million Americans have turned eighteen each year and more than fifty million children have been born These members of the millennial and post millennial generation have come of age in a moment marked by increased anxiety about terrorism two protracted wars and policies that have raised questions about the United States's role abroad and at home Young people have not been shielded from the attacks or from the wars and policy debates that followed Instead they have been active participants as potential military recruits and organizers for social justice amid anti immigration policies as students in schools learning about the attacks or readers of young adult literature about wars The War of My Generation is the first essay collection to focus specifically on how the terrorist attacks and their aftermath have shaped these new generations of Americans Drawing from a variety of disciplines including anthropology sociology cultural studies and literary studies the essays cover a wide range of topics from graphic war images

in the classroom to computer games designed to promote military recruitment to emails from parents in the combat zone The collection considers what cultural factors and products have shaped young people's experience of the 9/11 attacks the wars that have followed and their experiences as emerging citizen subjects in that moment Revealing how young people understand the War on Terror and how adults understand the way young people think The War of My Generation offers groundbreaking research on catastrophic events still fresh in our minds

Romantic Love in Cultural Contexts Victor Karandashev, 2016-12-24 This volume presents a conceptual historical anthropological and sociological review of how culture affects our experience and expression of romantic love What is romantic love and how is it different from and similar to other kinds of love How is romantic love related to sex and marriage in human history and across contemporary cultures What cultural factors mediate attraction in love These are some of the questions the volume explores through its interdisciplinary yet focused lens Much of the current research evidence suggests that love is a universal emotion experienced by a majority of people in various historical eras and in all the world's cultures Yet love displays in different ways because culture has an impact on people's conceptions of love and the ways they feel think and behave in romantic relationships This volume summarizes classical knowledge on love and culture while at the same time focusing sharply on recent studies and cutting edge research that has advanced the field Divided into three parts the volume begins by defining and analyzing the concept of romantic love and interdisciplinary approach to its study in cultural context Part II traces the origin and evolution of romantic love both in various places throughout the world and various time periods throughout history Part III presents the revolutionary expansion of romantic love ideas and practices in the late 20th and early 21st centuries in various parts of the world focusing particularly on the development of romantic love as a cultural ideal of the modern cultures Finally the book concludes by summarizing the major achievements in this field of study and predicts future development A timely and thoughtful addition to the literature Romantic Love in Cultural Contexts delivers thought provoking insights to researchers in relationship scholarship sociology anthropology and cultural studies and all those interested in the universal human concept of love Overall I find Dr Victor Karandashev is an excellent and fine scholar who has a firm grasp of both the fundamental principles of cross cultural research and of anthropology In our increasingly connected world Romantic Love in Cultural Contexts updates and adds to the descriptions and explanations of similarities and differences in romantic love across generations and cultures Romantic love encompasses the life span rather than being a phenomenon largely confined to youthful years The topic of this project concerns the deepest of our sentiments and pervades life from birth to death This book contributes to better knowledge of this phenomenon across generations

Land of Sunshine ,1915 [Escape from Namka Chu: A Love Story Based on India-China War 1962](#) ,2015-07-15 This book is a fiction love story focussing on the privations suffered by the protagonists as a fall out of the India China conflict of 1962 All characters and names are fictitious and imaginary and any semblance to the living or dead is purely incidental It is not a true narration of the conflict which is merely a means for the main protagonists to ride on till the conclusion of the story

Out West ,1915 Contains monthly column of the Sequoya League **Love, Poverty, and War** Christopher Hitchens, 2004-11-24 I did not I wish to state become a journalist because there was no other profession that would have me I became a journalist because I did not want to rely on newspapers for information Love Poverty and War Journeys and Essays showcases America s leading polemicist s rejection of consensus and cliché whether he s reporting from abroad in Indonesia Kurdistan Iraq North Korea or Cuba or when his pen is targeted mercilessly at the likes of William Clinton Mother Theresa a fanatic a fundamentalist and a fraud the Dalai Lama Noam Chomsky Mel Gibson and Michael Bloomberg Hitchens began the nineties as a darling of the left but has become more of an unaffiliated radical whose targets include those on the left who he

accuses of fudging the issue of military intervention in the Balkans Afghanistan and Iraq Yet as Hitchens shows in his reportage cultural and literary criticism and opinion essays from the last decade he has not jumped ship and joined the right but is faithful to the internationalist contrarian and democratic ideals that have always informed his work **Uncertain Ground** Phil Klay, 2022-05-17 From the National Book Award winning author of *Redeployment* and *Missionaries* an astonishing fever graph of the effects of twenty years of war in a brutally divided America When Phil Klay left the Marines a decade ago after serving as an officer in Iraq he found himself a part of the community of veterans who have no choice but to grapple with the meaning of their wartime experiences for themselves and for the country American identity has always been bound up in war from the revolutionary war of our founding to the civil war that ended slavery to the two world wars that launched America as a superpower What did the current wars say about who we are as a country and how should we respond as citizens Unlike in previous eras of war relatively few Americans have had to do any real grappling with the endless invisible conflicts of the post 9 11 world in fact increasingly few people are even aware they are still going on It is as if these wars are a dark star with a strong gravitational force that draws a relatively small number of soldiers and their families into its orbit while remaining inconspicuous to most other Americans In the meantime the consequences of American military action abroad may be out of sight and out of mind but they are very real indeed This chasm between the military and the civilian in American life and the moral blind spot it has created is one of the great themes of *Uncertain Ground* Phil Klay's powerful series of reckonings with some of our country's thorniest concerns written in essay form over the past ten years In the name of what do we ask young Americans to kill and to die In the name of what does this country hang together As we see at every turn in these pages those two questions have a great deal to do with each another and how we answer them will go a long way toward deciding where our troubled country goes from here
