Ward,2001-07 If St Peter had trouble understanding things the Apostle Paul wrote no wonder the rest of us struggle with his

writings Paul didn't take it very kindly when people misunderstood him either. In Galatians itself he says that he wishes the people who misunderstood his Gospel would mutilate themselves. That's strong stuff. James A. Ward has provided a distinctive interpretation of Paul's impassioned defense of Christian liberty addressed to the Church in Galatia. Centering his reflections on Jesus, he offers a way to understand the profound relationship between law and grace, the most frequently misunderstood relationship in Christian life and thought. Drawing on wisdom and insight accumulated over a lifetime of ministry, Pastor Ward helps the reader clearly understand the message of the Apostle Paul.

**Hopeful Messages from The Bible** Richard Holland, 2019-07-16 After forgiveness, what mankind needs most is encouragement, and there is no place where hope can be found like the Old and New Testaments of the Bible. In *Hopeful Messages from the Bible*, Rich Holland shares the encouraging message of God's love, redemption, and provision offered to everyone who knows loss, sin, and disappointment. Growing up with a little church background, the author discovered the meaningful context behind suffering and the encouragement found in the Bible.

**How to Have that Difficult Conversation You've Been Avoiding** Henry Cloud, 2005 All of us need to be able to have a healthy confrontational conversation at one time or another. Sometimes it's a matter of simply saying no so we don't get overextended, or saying yes to better ways of building intimacy in a good relationship. At other times we may need to confront a difficult person in a relationship: a controller, a manipulator, an irresponsible person, perhaps even someone who is abusive.
