## **Look Away From Evil:**

Look Away Dixieland James B. Twitchell, 2011-03-18 As a boy James Twitchell heard stories about his ancestors in Louisiana and even played with his great grandfather's Civil War sword but he never appreciated the state and the events that influenced a pivotal chapter in his family history His great grandfather Marshall Harvey Twitchell a carpetbagger from Vermont had settled in upstate Louisiana during Reconstruction married a local girl and encountered much success until a fateful day in August 1874 The dramatic story of the elder Twitchell's life and near assassination fuels the author's pursuit of his family's history and a true understanding of the South In Look Away Dixieland Vermont native Twitchell sets out from his current home in Florida on the inauguration day of America's first black president to find the real South and to try to understand the truth about his illustrious ancestor He travels in an RV from Georgia's Okefenokee Swamp across Alabama and Mississippi to Coushatta Louisiana As he drives through the heart of Dixie Twitchell sorts through the prejudices he learned from his northern rearing In searching for the culture he had held at arm's length for so long he tours small town southern life in campgrounds cotton gins churches country fairs and squirrel dog kennels and uncovers some fundamental truths along the way Notably he discovers that prejudices of race class and ideology are not limited by geography As one man from Georgia mockingly summed up North versus South stereotypes Y'all are rude and we're stupid Unexpectedly Twitchell also uncovers facts about his great grandfather and sheds new light on his family's past An enlightening humorous and refreshingly honest search Look Away Dixieland reveals some of the differences and similarities that ultimately define us as a nation

*Undreaming Wetiko* Paul Levy, 2023-05-23 Transform wetiko into its own antidote Learn how ancestral trauma is at the root of wetiko and how the wounded healer shaman archetype can help bring both individual and collective healing Meet the inner guide a daemon angel that lives within us as an ally in our encounters with the daemon energy of wetiko Cultivate symbolic awareness as a path to creating meaning and transmute the poison of wetiko into medicine for healing The profound and radical Native American idea of wetiko a virus of the mind underlies the collective insanity and evil that is destructively playing out around the world Yet as Paul Levy reveals in depth encoded within wetiko itself lies the very medicine needed to combat the mindvirus and heal both ourselves and our world Levy begins by investigating how the process of becoming triggered wounded or falling into suffering can help us better understand the workings of wetiko in a way that transforms our struggles into opportunities for awakening He reveals the

source of wetiko unhealed multigenerational ancestral trauma which is acted out and propagated through the family He highlights one of the primary archetypes currently activated in the collective unconscious of humanity the wounded healer shaman and shows how recognizing this archetype can help us as we navigate a collective descent into the underworld of the unconscious a true bardo realm between our past and future worlds Drawing on the work of C G Jung Rudolf Steiner Henry Corbin Wilhelm Reich and Nicolas Berdyaev the author introduces the inner guide a daemon angel that lives within us as an ally in our encounters with the daemonic energy of wetiko He explores how to cultivate symbolic awareness interpreting events in our lives symbolically like a dream as a path to creating meaning which alchemically transmutes the poison of wetiko into medicine for healing the psyche Ultimately the author reveals that the best protection and medicine for wetiko is to connect with the light of our true nature by becoming who we truly are      A Walk in the Garden L.N. [The Ministry of the Word, Vol. 26, No. 08](#) Various Authors,2022-10-30 This issue of *The Ministry of the Word* contains Messages 17 through 24 given during the spring 2022 term of the full time training in Anaheim California as the continuation of the general subject Chapters Five through Eight of Romans the Kernel of the Bible The sixteen messages in this term emphasize Romans 7 and especially chapter 8 The general subject of this series of messages is derived from footnote 1 on Romans 5 14 which says that chapters 5 through 8 of Romans can be called the kernel of the Bible The footnote also points out that life and death form two contrasting lines through these chapters and that man is in the middle between the line of life which represents God and the line of death which represents Satan Life and death are the intrinsic essence of

the kernel of the Bible In Romans 7 and 8 we see that Paul discovered four laws four spontaneous automatic effortless and unconscious universal principles or functions In particular there are three lives and four laws revealed in these chapters The first law the law of God is the moral and objective law The second law is the law of good in man s soul especially the mind which corresponds to the created human life and which desires to carry out the law of God The third law is the law of sin and of death which derives from the evil satanic life in our flesh this law is stronger than the law of good within and thus seizes man s desire to do good and turns it into an opportunity to sin The fourth law is the law of the Spirit of life which is higher than and overcomes the law of sin and of death this law derives from the uncreated divine life that is now in our regenerated human spirit We need to see these three lives and four laws in order to experience the indwelling Christ as the law of the Spirit of life We also need to see what the flesh is The flesh denotes the totality of the fallen old man our entire fallen being man is totally flesh because the fallen being today is under the dominion of the fallen flesh The flesh is enmity against God the flesh is not subject to God s law the flesh is not able to subject itself to the law of God and the flesh can never please God Every aspect of our flesh whether good or evil is an enemy of God s authority Whatever is of the flesh is against God s throne it will be used by Satan the subtle one the enemy of God to hinder God s purpose The flesh is the meeting hall and the compound of sin death and Satan the flesh is a hopeless case and can never be improved However in His wisdom and sovereignty God uses our flesh as a compelling force that causes us to turn to our spirit We are either in the spirit or in the flesh there is no third place for us to be The believer is a miniature garden of Eden with God as the tree of life in his spirit Satan as the tree of knowledge in his flesh and his mind in between In Romans 8 the mind is neutral being between the regenerated mingled spirit and the fallen body the flesh Setting the mind on the spirit is the key to death or life Because both Satan and God are in us our mind has become a battlefield between God and Satan Whether we are one with Satan or one with God depends upon where we set our mind In order to fight the battle against the enemy we must know that the mind is the battlefield and that the way to protect and cover our mind is to turn it to the Lord all the time The Bible requires only one thing of us that we walk according to the mingled spirit which is to live move act behave have our being and do everything in the mingled spirit While we remain in the touch with the Lord staying in contact with Him in our spirit the law of the Spirit of life works automatically spontaneously and effortlessly within us By the working the spreading of the law of the Spirit of life within us God makes us the same as He is in life nature and expression We are conformed to the image of the firstborn Son of God by the working of the law of the Spirit of life The Announcements section at the end of this issue contains a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe

concluding messages of the Living Stream Ministry's Summer Training of 1998 on the Crystallization study of the Epistle to the Hebrews Message Ten emphasizes the crucial matter of the dividing of soul and spirit for the experience of the reality of the Sabbath rest Message Eleven indicates strongly that in order for the believers to be brought on to maturity Heb 6:1 we must progress from the word of the beginning of Christ the milk to the word of righteousness the solid food Message Twelve as a conclusion to the summer training stresses the critical need of being transformed and of being matured To be transformed is to be metabolically changed in our natural life whereas to be matured is to be filled with the divine life that changes us We need to go on to be brought on to maturity by forgetting the things which are behind and stretching forward to the things which are before pursuing toward the fullest enjoyment and gaining of Christ for the uttermost enjoyment of Christ in the millennial kingdom Ultimately the Lord's desire to bring us on to maturity must be matched by our willing cooperation with His gracious work Lastly we include a report concerning the International Elders Training in October 1998 held on the new campus for the ministry in Anaheim California
