can't resist riding horses astride in breeches But with the family farm in trouble and her father now in dire need of her wages she's determined to conquer her wildness once and for all Even with his home full of eligible women there is only one who catches Guy's eye though he tries to deny it For Lottie succeeding in her new role proves difficult when the Wennington estate is filled with horses and a spark ignites between her and the grumpy lord Will they remain stuck in their ways or learn that they may just be the perfect match
