Bhatnagar,2012-11-14 Every author believes that his or her book is meant for everyone In this respect however I am the biggest beneficiary In the process of writing these reflections for over ten years and lately compiling and editing them I have finally understood my faith deeply Consequently confidence that I lacked about Hinduism during my adult years has been replaced with pride in graying years At times it has taken me to such a height that in a few reflections I have propounded a thesis that India will be a true secular country only when it will be constitutionally a Hindu state The practice of secularism in India since 1947 has been reduced to anti Hinduism and Hindu bashingparadoxically more so by Hindus than by non Hindus It is making India porous for attacks by the terrorists who are both homegrown and foreign based History is repeating itself The Hindus remain totally divided in half a dozen political parties A sterling lesson of Indias history is that traders preachers and persecuted humanity of every foreign faith were permitted sheltered and welcomed by the Hindu kings whose kingdoms stretched from the coasts of Malabar in Kerala to Kuchh in Gujarat to Karachi in Sindhstarting more than one thousand years ago Doesnt it make pristine Hinduism akin to humanism What an incredible journey of this realization to dawn after nearly six decades Yoga Daren Callahan,2015-01-28 Millions of people practice some form of yoga but they often do so without a clear understanding of its history traditions and purposes This comprehensive bibliography designed to assist researchers practitioners and general readers in navigating the extensive yoga literature lists and comments upon English language yoga texts published since 1981 It includes entries for more than 2 400 scholarly as well as popular works manuals original Sanskrit source text translations conference proceedings doctoral dissertations and master s theses Entries are arranged alphabetically by author for easy access while thorough author title and subject indexes will help readers find books of interest Epsilons and Deltas of Life Satish C.
