Matthews, 2010-01-19 A little about me I am just an ordinary woman who did an extraordinary thing I accepted Jesus Christ as my personal Savior in 1986 I am a woman who has had the opportunity to sit back and think of all the times God has blessed me and sent angels to intercede guide and protect me I am a very quiet person and a bit shy and only shared my stories with a few of my closet friends But always with my daughter I had no one else there with me through these trials and dilemmas just my daughter and years later my son which are what I know now as my testimonies trials and triumphs

**Behind the Lights** Helen Smallbone, Lisa Stilwell, Rebecca St. James, 2022-04-12 From the Woman Who Inspired *Unsung Hero* A Major Motion Picture In this inspiring debut memoir Helen Smallbone mother of seven creative children including

Christian music artists for KING COUNTRY and Rebecca St James chronicles the family's journey of faith across the ocean to go where God was leading. Written from a mother's perspective, Helen shares stories of peaks, valleys, and a family trusting God for provision. Helen Smallbone's heartfelt story illustrates what it means to really let God lead, which almost always means living outside the box of how the world says to live. How did an ordinary Australian family produce two Grammy Award-winning artists, Rebecca St James and for KING COUNTRY? What happened to bring the Smallbones through closed doors and to new beginnings in the United States? In *Behind the Lights*, Helen shares not only these stories of her family but of the life lessons they all learned along the way. In 1991, Helen and her husband David packed up their family and sixteen suitcases to move from Australia to the United States. Completely isolated from the support of family and friends, they relied on God to provide them with hope and direction. Helen watched her children join forces as Rebecca St James' career grew, soon followed by blossoming careers for the others as artists, entrepreneurs, filmmakers, and the rise of Joel and Luke's for KING COUNTRY on Christian music charts. Helen shares untold stories and insights into how her family worked and stuck together constantly, relying on their faith to guide the way. Helen's journey includes meeting her future husband with a cockatoo on her shoulder. The family's move to the states in blind faith, the kindness of neighbors, and the local church that gave them the encouragement they so desperately needed. Years of touring alongside Rebecca and the formation of for KING COUNTRY. The ways God led and enabled her to homeschool and think about education differently. An inside look at the stories and dynamics of the entire Smallbone family. No matter where you are in life, Helen shows through her own experiences that what God has done in her life, He will do in yours too. *Morning Magnified* William McLeod, 2021-12-15. When I look back over my life, I see nothing but the hand of God on my family. I was gifted with the ministry of encouraging and lifting people. I made a promise to God many years ago. I promised that every day that he wakes me up and put a word or song on my heart that I would write it and sing a joyful song unto the Lord. The people of the world have been experiencing depression, sickness, loss of hope, looking for someone or something to lift them and rescue them from the evilness of this dark world. My thoughts for each day are if I can help someone along the way as I journey through this world, then my living is not in vain. I have a testimony of the goodness of Jesus Christ, and I have to share it with the world. God is good to me, and I know it. God is good to you, but do you know it? I pray that you will seek God and his righteousness and not the world's unrighteousness. I pray that this book will be a blessing to you. Step out on faith in the Son of God and watch how he will pour out his blessing on you.

Toolbox of Life Toshya L Isom, 2012-05-07. We spend 90% of our adult life getting over our childhood experiences. This book is about my experience in life: how I was misled, bound, controlled, spiritually damaged, mentally broken, and physically abused, all while trying to find my way through life, ripped from the path of righteousness and thrust into the clutches of sin, having a desire to do right in the midst of everything wrong, fighting to be freed from the generational curse of a strange people who know fear of God and know reverence to man, a blood line of alcoholism, addictions, perversion, gambling, adultery.

Stuckey,2025-08-19 Since it was published in 1776 the Declaration of Independence has been used to advocate for social justice and to maintain inequitable social hierarchies it has served as a model for justifying revolutions in other nations and for the Confederacy s secession from the US federal government But as we approach its 250th anniversary this book asks Does the Declaration still matter In this volume leading scholars explore how this remarkably pliable document has been used for progressive and regressive politics alike and track its impact on independence movements across the globe The essays begin with the Declaration s immediate reception and masculine style of prose and then move on to its central role in interpreting civic action between state and federal governments most notably secession in the Antebellum era questions of sovereignty between Indigenous nations in the United States and the United States relationship with Latin America The next section focuses on the ways the Declaration was called upon to urge imperative moral action especially in terms of human rights in the US Civil Rights Movement and the Velvet Revolution in Czechoslovakia and in contrast how it was cast aside in the Syrian Revolution The final section teases out the tension between the needs reflected in the original document and the needs of the contemporary political world Used Abused and Sidelined demonstrates how this foundational document prepares us to tolerate and to resist and it points to how we might leverage the Declaration to create a different kind of political future
