of her youth When her six year old who was known to the world as a boy asked to wear pink sneakers asked to be a witch for Halloween asked to wear a girl s dance costume Maxwell worried about how their small community would react But when that child changed her name grew her hair long and announced that she is a girl a firestorm descended upon her family Weaving together the story of her own youth marked by long afternoons skiing the mountains a cottage on the lake and a proud gay brother but also by neglect and bullying that pushed her brother to the brink Abi Maxwell contends with the rural America where she was raised and years later where she is now raising her daughter as lawmakers nationwide push to erase the very existence of trans youth Intimate and stirring One Day I ll Grow Up and Be a Beautiful Woman is essential reading for this moment in our history
