With a membership estimated at around 80 million members, the Anglican Communion is the third largest Christian communion in the world. This second edition of *Historical Dictionary of Anglicanism* covers the history of Anglicanism through a chronology, an introductory essay, appendixes, and an extensive bibliography. Cyclopaedia of Biblical, Theological, and Ecclesiastical Literature John McClintock, James Strong, 1889. Methodist Magazine and Quarterly Review, 1849. **A Generous Community** C. Andrew Doyle, 2015-10-01. Practical ideas for

connecting and building communities of service. Bishop Andy Doyle understands that the church must change. Every day he presides over parishes that are no longer vital, that have not adapted to the VUCA (volatile, uncertain, complex, ambiguous) world of today, the world in which the church exists. The church still looks to hierarchies when it needs to build networks and stays mired in arguments when it needs to find unity. With the experience of a bishop and the insight of a deep learner, Doyle points the way to the future with a vision for how we can learn, serve, and communicate with each other. *Cruciform*

Ecumenism Elizabeth Smith Woodard, 2019-09-06. The truth claims of Christianity appear compromised by the division of Christ's followers into different denominations. What keeps Christians separated, retreating to their corners, labeled Catholic, Orthodox, and various types of Protestant? Elizabeth Smith Woodard accounts for Christian disunity in terms of ecclesiology, episcopacy, and apostolicity in brief. Who are we? Who is in charge? And are we who we say we are? Woodard argues that the controversial issues dividing Christians today stem from these questions of authority and identity. What would it look like? Woodard asks if Christians did not insist on making others more like us but instead worked toward all of us becoming more and more like Christ. She answers that growing in such cruciformity should serve as the basis for unity. Using recent unity achieving Anglican/Lutheran discussions as a case study, she examines the crucial intersection of ecclesiology, episcopacy, and apostolicity to argue that Christians' growth in Christ's mission necessarily entails growing in unity and cruciformity.
