Mr. and Miss Anonymous

Fern Michaels, 2009-05-01 1 New York Times bestselling author Fern Michaels has won millions of fans with her unforgettable emotionally charged novels In *Mister and Miss Anonymous* she explores the unexpected often devastating turns in life that pull people apart and the twists of fate that bring them back together again College senior Lily Madison is on her own and desperate to pay for her last semester of school With nowhere to turn she makes the difficult decision to donate her eggs to a fertility clinic Sam Parker is also a penniless student who supplements his tuition money by visiting a sperm bank One day Lily and Sam meet at the clinic and talk about their secret They agree the clinic gives them an odd feeling as if all is not as it seems Despite their obvious attraction Lily and Sam go their separate ways Twenty years have passed and Lily often wonders if she has a child somewhere in the world She also thinks a lot about Sam Now a wealthy entrepreneur Sam never forgot Lily either and when he sees her in an airport one day he falls for her all over again But while they enjoy their unlikely reunion a story on the news has them riveted Two teenage boys are missing and their disappearance may be linked to the fertility clinic Sam and Lily visited in college In a shocking twist one of the boys looks exactly like Sam Lily and Sam are now determined to find out what really went on at the clinic all those years ago When the whole story comes out the truth will be more than they bargained for But they will discover that letting go of their secrets from the past is the best way to build a future worth fighting for

Jews in the Hellenistic World John Raymond Bartlett, 1985 This book aims to introduce the work of Hellenistic Jewish writers of the period 200 BC to AD 200 Four in particular are studied The authors of the Letter of Aristeas and the Sibylline Oracles came from second century BC Egypt Eupolemus wrote probably in Jerusalem at the same time Josephus a priest from Judaea wrote in Rome in the late first century AD Using Greek not Hebrew or Aramaic and conscious of the position of Jews in the Graeco Roman world they wished to demonstrate that their cultural and religious heritage stood comparison with the Graeco Roman tradition and that Jews were neither so philosophically naive nor so politically troublesome as they were often supposed to be An opening chapter describing the position of Jews in the Hellenistic world is followed by selected passages all newly translated with introductory essays and commentary The collection makes available to students much material hitherto not easily accessible

Seeds of Destruction Gary Miller

Proulx,2015-04-10 Dr Jacob Miller a world renowned radiation oncologist whose cancer patients are dying suspiciously from their cancers after treatment that should have cured them suspects something sinister behind their deaths even murder He also suffers further turmoil when his romantic relationship ends and when flash backs occur to his own painful childhood as an orphan he is brought to the bleak edge Incredibly he battles back to discover that terrorists are behind his patients being sent to early graves and are also plotting to explode a dirty bomb in Boston When Millers girlfriend is kidnapped by the terrorists he recruits his friends and co workers to help him save her and stop the terrorist bombing If he fails his mission he will not only fail his patients but also the lives of countless thousands and his country *The Rotarian* ,1938-09 Established in 1911 The Rotarian is the official magazine of Rotary International and is circulated worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Ghandi to Kurt Vonnegut Jr have written for the magazine *Independent School Libraries* Dorcas Hand,2010-06-11 The first book published about independent school libraries since 1985 this work offers both the independent school library community and the broader school library community a wealth of insights into excellence in library practice *Independent School Libraries Perspectives on Excellence* offers readers insights into best practices in library services for school communities using examples drawn from independent schools of various sizes descriptions and locations across the United States Two overview essays introduce a statistical analysis of independent schools Each of the remaining essays provides perspective on a different aspect of library practice including staffing advocacy assessment technology collaboration programs beyond the curriculum intellectual freedom and privacy budgeting accreditation disaster planning and more Because independent school librarians work across divisions and without a mandate to adhere to state or national standards they have the freedom to explore and refine best practice in a school library setting Fortunately the ideas and methods they have developed many of which are on display here can be applied in any school library *The Fair Maid of Perth* Walter Scott,1894-01-01 ***Christian Register and Boston Observer...*** ,1886 ***Trials of Artemis*** Sue London,2013-05-13 In 1805 three little girls decided to create a boys club because boys have more fun Their childhood was filled with sword fighting horse racing and archery Now in 1815 they are all grown up and expected to join Society Who will marry such independent and deadly misses *Trials of Artemis* Regency Hot Loving Lord Lucifer An independent bluestocking sneaks into a library to read rare Greek texts and ends up with a husband instead Jacqueline Jack Walters loves archery and Greek military history In her third season she has failed to inspire so much as one marriage proposal and is planning to settle into the quiet life of a spinster Gideon Wolfe Earl of Harrington has been avoiding marriage but a case of mistaken identity in the library has left him saddled with an argumentative and unwilling fianc e What readers are saying I enjoyed seeing the relationship play out between the two main characters especially since the author decided to make them both forthright and honest with each other being able to pick up on emotional cues instead of relying on misdirection and misinterpretation to

lengthen the story as is usually the case in this genre Their characters and their relationship develop at an almost perfect pace as the book progresses with bumps along the newlywed road of course If you like a strong female this is the book for you Collier's ,1904 *American Illustrated Magazine* ,1916 *Newspaper World* ,1929 **The Survey** ,1928
