Lord I Want To Be Whole A Personal Prayer Journey:

Lord, I Want to Be Whole Workbook and Journal Stormie Omartian, 2003-03-03 When the heat is on and the battle is raging know that as long as you are standing strong in the Lord you won't be shot down or burned up by your circumstances Think in terms of God's power As long as you stand with God and don't give up you win Most ministers and psychologists agree that personal change comes from within And that change can only occur if you take a careful look at your own life and experience That's certainly what Stormie Omartian discovered Over thirty years ago she was so depressed she considered suicide Then she went through the seven step process she described in her bestselling book *Lord I Want to Be Whole* Now Stormie makes this process available to you in a personal walk to emotional well being a walk with the truth of Scripture and the power of prayer at your side Throughout your journey you will be observing the lives of some familiar people in the Bible Many of these people had the same faults and suffered the same problems you do The way the Lord guided them will be a path for you to follow Each week you will work through interactive questions and thought provoking Scriptures that will enable you to determine who you are what you're doing and where you're going And then you will establish some guidelines for your future The healing and restoration I found is there for you too Stormie asserts Whether your hurt is from scars as far back as early childhood or from this week's untimely severing of a precious relationship you can be whole spiritually and emotionally This easy to use workbook serves as an excellent guide for either personal devotions or group study Use it as a stand alone Bible study or as a companion to Stormie's book *Lord I Want to Be Whole* *A Manual of Family and Private Devotions; Being a Series of Reflections on the More Practical Portions of the Word of God, and a Prayer for the Morning and Evening of Every Day in the Year* Daniel Dewar, 1849 **Living Devotion and the Whole Desire of God** Robert John Spriddell, 2025-06-13 Juggling the demands of daily life leaves many ordinary Christians simply longing to discover how their faith can be nurtured in ways that are achievable practical biblically grounded and spiritually fulfilling What is devotion from God's perspective This book explores the answer to this question and demonstrates that true devotion is neither secondary nor inconsequential it is active powerful liberating and living This book was written with the sole purpose of enriching and encouraging the reader toward a greater love of God Whilst devotional reading and prayer are explored the reader will discover that devotion is not about doing but about being In ways that are not overly theological legalistic demeaning or patronizing the reader is guided through the means of participating personally with God and abiding in Christ through Living Devotion This Living Devotion is achievable and available without compulsion to every Christian with no exceptions and no sense of spiritual exclusiveness or superiority All God has ever wanted from believers is reciprocated love and for us to experience and enjoy his presence continually in our lives This is the whole desire of God The Path of Prayer Samuel Chadwick, 2020-06-17 Samuel Chadwick 1860-1932 was a Wesleyan Methodist minister and a nonsense kind of preacher His works have endured long after his death and will doubtless continue to impact readers as his practical approach and straight

Hellfire and Destruction Paul Marston, 2023-12-13 To those of us who believe in the inspiration and authority of the Bible it must surely be a concern to know what it says will happen to the millions around us some of whom we love dearly who die without repentance or faith Does Scripture teach that at the last judgment those who remain unrepentant will be consigned to an unending existence of torment without hope Is that truly what Jesus and his apostles believed and taught This book presents basic evidence that what they really taught was that the final judgmental end for such people will be destruction taking its obvious meaning that

they will cease to exist as conscious individuals The arguments are not complex because most of the New Testament writers make plain statements to this effect The book also looks at those parables and Revelation passages sometimes taken to indicate unending torment It links with academic works that in increasing numbers are making the same points but the book is not a contribution to academic scholarship Rather it is a careful readable and accessible account to challenge pastors church leaders and Christians generally to consider what the Bible actually says rather than rely on tradition
