Jahosky,2020-09-15 Although many people today reject Christianity for intellectual reasons greater numbers of people are rejecting Christianity because it does not engage their imagination Christians must not only demonstrate that the Christian worldview is true but that it is also good beautiful and relevant The Good News of the Return of the King The Gospel in Middle earth is a book that endeavors to show the truth goodness and beauty of Jesus Christ the gospel and the biblical metanarrative by engaging the imagination through J R R Tolkien s The Lord of the Rings as well as The Hobbit and The Silmarillion In this book I propose that J R R Tolkien s The Lord of the Rings is a story about what Jesus parables are about the good news about the return of the king As a work of

imaginative fiction similar to Jesus parables The Lord of the Rings can bypass both intellectual and imaginative objections to the gospel and pull back the veil of familiarity that obscures the gospel for many *The British National Bibliography* Arthur James Wells,2009 **The Publishers Weekly** ,2003 **The Lord of the Rings, the Return of the King Photo Guide** David Brawn,2003 The official children s pictorial film tie in to the key characters creatures and places in the forthcoming film The Return of the King *Finding Fatherhood* Rob Kozak,2017-11-21 When recently divorced Rob Kozak s eight year old son Bobby moves from Canada to Australia with his mother Rob s entire life changes But although his son is literally on the other side of the world Rob soon discovers that the vast distance between them is not insurmountable Originally started as a journal to help him cope with the loss as well as record the joys of yearly visits with his son Finding Fatherhood Lessons Learned from Separation is the story of how Rob managed to maintain a loving involved relationship with Bobby even at such a great distance It is also a delightful chronicle of their adventures together over six extended Australian holidays During the months he was away from Bobby a period referred to as the desert times Rob reflected on and wrote about what it takes to be a good man and a good father until he could be back in the oasis of Bobby s company Part memoir part Australian adventure and part portrait of a touching and unbreakable bond between father and son that couldn t be severed by geography Finding Fatherhood will inspire bring comfort and offer hope to parents who are separated from their children

**Catholic Literature and Film** Nancy Enright,2016-11-21 Catholic Literature and Film Incarnational Love and Suffering is meant to be considered as a work of literary criticism not film adaptation studies In it the author explores six literary works dealing with Catholic themes and the film versions of these works The discussion of the films is at the service of analyzing the texts Underlying all the discussions is an incarnational sacramental view of the texts which links to my interpretation of the film versions of them Catholic and actually any Christian interpretation of literature or film or any other art form is rooted in an iconic and sacramental understanding of imagery as a means of conveying the sacred Catholic spirituality lends itself to this sort of approach as it is deeply rooted in the ability to see sacred things through physical means A key sub theme is romantic love in connection with salvation which Charles Williams one of the Inklings the group of British writers including J R R Tolkien and C S Lewis who met and discussed literature and theology calls the theology of romantic love as well as the sub themes of redemptive suffering and grace My interest in the book is not an analysis of cinematography per se but on the films as vehicles for religious ideas What makes this approach unique is that it doesn t deal with only faith and film as Peter Frazer does very well in his book Images of the Passion The Sacramental Mode in Film for example it also goes beyond the realm of strict literary criticism in its tackling of how religiously oriented works of literature are affected by the transformation into film
