Lord Who Are You The Names Of Christ:

Lord, who are You? Jorge Medina Estévez, 2004 The names of Christ are certain words or titles that are used in Sacred Scripture to refer to Christ One of them Jesus is a name in the sense in which we commonly use this word today The others which are quite numerous and which are used with varying frequency denote the nature or essence of Jesus as for example Son or Word or some characteristic of his action for instance the fact that he is Shepherd or Master Sometimes these names do not designate Jesus exclusively as is the case with shepherd and son of God although they are applied to him in a very special way There are other names that pertain only to Christ such as Lamb of God and Bread of Life The purpose of this little book is simply to reflect about and meditate on the names of Christ in order to draw near to him with humility so we may know who he is and what sort of blessings the Father imparts to us through him The fruit of such reflection should be the praise of God for his love and for the wonders he has done and continues to do for us gratitude for all his boundless gifts and as a consequence love for him who loved us first There is not one logical order for the names of Christ one presupposes the other and they are intertwined like flashes of light reflected from the various facets of a cut diamond Thus the reader as he becomes acquainted with this subject will discover little by little a rich and limitless prospect for learning about Christ through the Scriptures he will see the unsearchable riches of Christ Eph 3 8 and in these riches find joy peace and a pattern of life Book jacket
