Lord Liar:

Liar, Lunatic, Lord: The Gospel of John as the Greatest Evidence for (or Against) Jesus' Claim to Be I Am Who I Am Eric Deadwyler, 2019-02-28 Many try to claim that Jesus was merely a great teacher or a prophet Former atheist C S Lewis made the inarguable claim that Jesus of Nazareth must be a lying devil a raving lunatic or very God Himself There are no other options said Lewis To say anything less is at best patronizing and at worst dishonest Herein is presented the evidence from the mouth of the Man who spoke thus Let the reader decide whether Jesus is Liar Lunatic or God Pilate therefore said unto him Art thou a king then Jesus answered Thou sayest that I am a king To this end was I born and for this cause came I into the world that I should bear witness unto the truth Every one that is of the truth heareth my voice The Gospel of John presents the key truths of the Bible Version Regular Print 12 PT ENTIRE CONTENTS The Gospel of John unedited KLV 1611 *The Liar's Daughter* Laurie Graham, 2024-07-09 From a delightfully smart historical novelist a woman raised to believe she is the daughter of a British war hero searches for her true parentage The Sunday Times Nan Prunty's mother is the rare woman to have served aboard navy vessels an eyewitness to British sea battles aboard the HMS Victory Now a notorious drunk Nan's mother shares outlandish anecdotes of bygone adventures most of which Nan believes to be tall tales The only story her mother tells the same way twice is that of Nan's father with whom she had an affair just before his tragic death during the Battle of Trafalgar Is it possible the story is actually true and that Nan is the daughter of naval hero Lord Horatio Nelson The search for answers is a mystery that will carry Nan through her life her marriage and the birth of her own daughter Pru Growing up Pru listens with skepticism to her mother's narrative of her legendary genealogy But when Pru marches off to her own intrepid life as a nurse during the Crimean War she wonders how much of her mother's legacy lives within her With her characteristic warmth and wit author Laurie Graham explores what our families stories truly tell us about ourselves Praise for Laurie Graham Laurie Graham has a wonderfully light deft touch Richard Russo Pulitzer Prize winning author of Empire Falls Why is Laurie Graham not carried on people's shoulders through cheering crowds Her books are brilliant Marian Keyes international bestselling author of *Again Rachel* and *Grown Ups* *Prepared to Answer* Rob van de Weghe, 2008 *Jeremiah, Baruch* Pauline A. Viviano, 2016-12-01 Jeremiah grew up in a time of peace and died in exile He lived to see the temple burned to the ground Jerusalem destroyed and his people marched into a foreign land A reluctant prophet Jeremiah preached the renewal of the covenant teaching in parables like Jesus His God was a God of hope promise power and the will to make the people of Israel a holy people The book of Baruch deals with the challenges faced by the Jews of the Diaspora who never returned to their homeland Out of their exile they became the people of the book gathering in their synagogues studying the law and the prophets and producing their own inspired sacred literature **A House Divided** Cecilia E. I Don't Have Enough Faith to Be an Atheist Norman L. Geisler, Frank Turek, 2021-05-17 To some the concept of having faith in a higher power or a set of religious beliefs is nonsensical Indeed many view religion in general and Christianity in particular as unfounded and unreasonable Norman Geisler and Frank Turek argue however that Christianity is not only more reasonable than all other belief systems but is indeed more rational than unbelief itself With conviction and clear thinking Geisler and Turek guide readers through some of the traditional tested arguments for the existence of a creator God They move into an examination of the source of morality and the reliability of the New Testament accounts concerning Jesus The final section of the book deals with a detailed investigation of the claims of Christ This volume will be an interesting read for those skeptical about Christianity as well as a helpful resource for Christians seeking to articulate a more sophisticated defense of their faith *Between One Faith and Another* Peter Kreeft, 2017-07-07 How do we make sense of the world s different religions In this creative thought experiment Peter Kreeft invites us to encounter dialogues on the major faiths with his characters Thomas Keptic Bea Lever and Professor Fesser Ultimately Kreeft gives us helpful tools for thinking fairly and critically about competing religious beliefs and how they relate to one another *The New American Bible Revised Edition, Large Print Edition* Confraternity of Christian Doctrine, 2011-03-09 First published in 1970 the New American Bible is familiar to millions of American Catholics as the translation proclaimed in the Mass and in their missals This revised edition brings to culmination the work of nearly 100 scholars including translators editors and a subcommittee of Catholic bishops who provided extensive review of the biblical text The first amendment to the New American Bible translation since 1991 the NABRE contains a revised translation of the Old Testament as well as a revision of the Psalter back cover [A Commentarie Vpon the Epistle of Saint Paul Written to Titus. C. S. Lewis's Christian Apologetics Gregory Bassham, 2015-06-29 Are C S Lewis s major arguments in defense of Christian belief sound In C S Lewis s Christian Apologetics Pro and Con defenders and critics of Lewis s apologetics square off and debate the merits of Lewis s arguments from desire from reason from morality the trilemma

argument for the divinity of Christ as well as Lewis's response to the problem of evil. By means of these lively in depth debates readers will emerge with a deeper understanding and appreciation of today's most influential Christian apologist.

Yes or No? Peter Kreeft, 2009-11-05 The popular Christian apologist Kreeft tackles many of the tough questions of our day concerning Christianity. In a series of imaginative dialogues Sal the Seeker and Chris the Christian deal with the profound mysteries of the Gospel. The result is a book that is both engaging and profound, a book that leads readers to initial faith or to deeper faith. The stakes in these dialogues are high: Christianity is God's marriage proposal to the soul, says Kreeft, and the answer must be yes or no. We can evade the claims of Jesus Christ for a while, but death brings evasion to an end. It is wiser to look at Christianity honestly now. Yes or No shows the truth of Jesus' promise that those who sincerely seek the truth shall find it. It is a road map for those who are honestly seeking the truth and a source of greater faith for those who have already found God. It presents the full challenge of the gospel in a way modern men and women can understand.
