It is aimed at advanced students of Spanish upper level undergraduates and beginning graduate students who need to hone their language skills for contextually sensitive use of the language. Written entirely in Spanish with Spanish examples this volume introduces basic pragmatics methods of analysis and new thematic areas such as language and the press and globalization. Theoretical explanations combine with practical exercises in each chapter to help students master the subtleties of language use **Escenas matritenses, 1-2** Ramón de Mesonero Romanos, 1842 *Artículos escogidos de las Escenas matritenses* Ramón de Mesonero Romanos, 1879 **Escenas matritenses** Ramón de Mesonero Romanos, 1842 *Escenas matritenses* Ramón Mesonero Y Romanos, 1845 **Panorama Matritense. Los personajes están inmersos en la realidad de un tiempo en el que se vive con intensidad el valor, el amor y la traición. Entre ellos hay notables diferencias de ideologías políticas y de filosofía de vida, pero el interés común por la supervivencia y la libertad los amalgama. Así nacen sentimientos que van desde la amistad hasta el amor. Las guerras dividen pero también unen y hacen aflorar la grandeza y mezquindad de la condición humana. La descripción de ciudades muy distantes y distintas trata de demostrar cómo vivía y sentía cada pueblo unido en medio de los bombardeos y otros a través de las noticias de los diarios, pero todos preocupados por una guerra que se dispersaba como una mancha de aceite. Los lectores también se podrán ver como en un espejo con los protagonistas. Esto es un juego que propone la novela elegir quién será en las circunstancias que plantea la trama *Escenas Matritenses por el Curioso Parlante. Cuarta edición.
