**Quickly To Her Fate** Phillip Jones,2009-10-30 A brief history of the lives and crimes of the 27 women executed by the British authorities between 1900 and 1955 including the ten female war criminals from World War II and Ruth Ellis the last woman hanged in Britain **Rapid Weight Loss Hypnosis for Woman and Men (2 Books in 1)** Robinson Academy,2021-09-16 Have you tried burning fat or maintaining your ideal body size without success Have you tried dieting exercising fasting medical approaches or interventions and other popular methods of weight loss but none of them seem to be working for you And are you tired of trying techniques that don t work and are looking for something else something that will help you deal with the root causes of uncontrolled weight If you ve answered YES keep reading You Are About To Discover A New Approach To Weight Loss That Will Literally Hijack The Things That Cause Weight Uncontrolled Weight Gain So That You Can Turn Your Life Around As Far As Weight Loss Is Concerned According to research we fail to lose weight not because of lack of effort or resolution but because of an unaddressed or stifled subconscious or the gut reaction that guides good decisions and prevents acting solely on emotion In order to lose weight according to experts you

need to turn that subconscious volume up to increase wisdom and thus better decision making as that's what leads to better and sustained long term habits that in turn lead to weight loss. And you know what method trains the subconscious better than anything else? Hypnosis. With it, you address all the factors that collectively lead to weight gain and stalled weight loss like cravings, mood problems, poor habits, motivation, stress, and anxiety. But as a beginner to this novel method, you may wonder: What exactly is hypnosis and how does it work? Is it easy to perform? How do I practice it alone? How does a typical monthly or weekly hypnosis or hypnotherapy plan look like? That's why I am presenting to you this detailed 2 in 1 beginners guide to hypnosis for both men and women to get all the answers and find out the best approach to take to succeed with it. More precisely, you'll learn: What hypnosis refers to and its history. The different forms of hypnosis. How we gain weight. Why hypnosis is important and how it would help you lose weight, especially belly fat. How to get started with hypnosis properly. How to train your mind and body to burn fat. How to reclaim your power over food with hypnosis and reconnect with your body to better manage your weight. How to prepare your food and eat to see quick results. An ideal sample 12 week hypnotherapy program to help you get started on your journey. How to exercise to maximize your gains. Myths and misconceptions you need to be aware of. How to fight anxiety and boost confidence with hypnosis. What you need to know about gastric band hypnosis. And much more. Even though it may look otherwise due to its psychological nature, this method is really straightforward and easy to follow, and this book makes it so by maintaining simplicity throughout the text and tackling it from a practical perspective to ensure you can implement it as you go without any hassle. Don't let uncontrolled weight gain make your life feel unfulfilling. Let this book walk you throughout the journey to weight loss the easy way by showing you how to hypnotize yourself to effortless weight loss. **Stop Eat. Intermittent Fasting Diet to Have More Energy and Lose Weight (with the Best Recipes)** Mary Nabors, 2021-09-15. If you truly want to lose weight in a sustainable way, feel great about yourself, and improve your overall health, then you really need to read this book. Most people are trying to find the right solution to lose weight, have tried all sorts of diets, but didn't get too far with those diets. Why? Because it's extremely hard to stick to them, and immediately after it, people will start gaining weight just like they were never on a diet. You don't want this unpleasant surprise to happen to you, so the real question you need to ask yourself is: Do you want to lose weight and remain fit while you are having your favorite food? If the answer is yes, then you need a lot more than a diet; you need a completely new lifestyle. You really don't have to look further than this book to find the perfect inspiration for your new lifestyle. The Eat Stop Eat Program. Intermittent Fasting tends to be the most sustainable way to burn fat. That's right, you will burn fat and lose weight, but you will not lose muscle mass if you follow the simple principles of this Intermittent Fasting program. This book will provide you valuable tips and tricks about what you need to eat in order to make your body burn fat, how you need to structure your day to maximize the results of this procedure, how you need to exercise to burn fat and not lose muscle mass. Intermittent Fasting may sound

very difficult for many people but the Eat Stop Eat program is the easiest and most accessible program you can do Even if you have never fasted before you can still easily cope with this program and experience the full benefits of it If you want to fall in love with Intermittent Fasting start with this program first I promise that you won't be disappointed after trying this method and you will discover how easily you can stick to it unlike the previous diets you have tried Of all the Intermittent Fasting programs this is my favorite as it allows me to enjoy the benefits of fully nutritional meals combined with the fat loss and overall health benefits of Intermittent Fasting You will probably find plenty of information online about Intermittent Fasting but there aren't too many sources that will let you know what to eat in order to maximize the results of this program If you are looking for such information look no further as this book is exactly what you need So what are you waiting for Buy this book now

**Metabolism Reset Diet: 2 Books in 1** Mary Nabors, 2021-10-29 If you want to become healthier bulk up and eat clean then keep reading For years it has been believed that bodybuilders couldn't follow a vegan diet People assume that in order to gain muscle that you have to eat animal products because for many animal products are the only decent source of protein While it is true that you need protein to build muscle you can get plenty of protein from plant sources As a dietitian I want to help you make the changes to your diet that you want to and still do the workouts you love There are a lot of myths out there about veganism and bodybuilding and if you are a bodybuilder who wants to eat vegan you may find it hard to figure out how to do so People choose veganism for many reasons and the reason you want to switch to this new diet isn't important The only thing that is important is that yes you can eat vegan and be a bodybuilder I want to help prove to you that you can have all the energy you need as well as the protein to be a successful bodybuilder and reach the gains that you have been striving for In this book you will find The best vegan supplements that will boost your workouts and energy The top bodybuilding advice that can prevent gains The most powerful foods you can eat to improve your bodies anabolic processes How to gain energy without animal products What it really means to eat clean What you can do for your gut health How simple nutrition is the key to gaining more muscle And much more I understand you may still be unsure about going vegan I get it There is a lot of misinformation out there for bodybuilders and non bodybuilders alike You may be worried that your energy will lack or that you won't be able to gain muscle like you have been When you choose this book you will learn the facts about bodybuilding and a vegan plant based diet You'll realize the rumors you have heard are unfounded Even if you have only eaten a traditional bodybuilding diet you can make the switch to veganism without losing what you have gained I know you want to make the switch to veganism Otherwise you wouldn't be here So if you are serious about this scroll up and click buy now

[THE FASTING CURE](#) Upton Sinclair, 2024-01-17 In Upton Sinclair's The Fasting Cure the author delves into the benefits of fasting as a means of healing and rejuvenation Written in a clear and engaging style Sinclair's exploration of fasting as a cure for illnesses is presented with a blend of scientific research and personal anecdotes The book is set in the early 20th century and reflects the growing interest in alternative medicine during that period Sinclair

s literary talent shines through in his ability to present complex medical concepts in an accessible manner making the book a valuable resource for both scholars and general readers interested in the history of medicine Additionally Sinclair s advocacy for natural healing methods adds depth to the text making it a compelling read for those interested in holistic health practices The Fasting Cure is a thought provoking and informative book that sheds light on a lesser known aspect of Sinclair s literary repertoire
