transformative practices regarding ethnic identity and belonging that have contributed to their abilities to adapt to their life circumstances in positive constructive ways and have expanded what it means to be Maya Indigenous Guatemalans today Child survivors experiences offer inspiration justify expanded research with child survivors as their own distinct survivor group and warrant reconsideration of in country residential care when other forms of loving nurturing in country care are unavailable

Between Heaven and Earth Robert A. Orsi, 2013-10-31 Between Heaven and Earth explores the relationships men women and children have formed with the Virgin Mary and the saints in twentieth century American Catholic history and reflects more broadly on how people live in the company of sacred figures and how these relationships shape the ties between people on earth In this boldly argued and beautifully written book Robert Orsi also considers how scholars of religion occupy the ground in between belief and analysis faith and scholarship Orsi infuses his analysis with an autobiographical voice steeped in his own Italian American Catholic background from the devotion of his uncle Sal who had cerebral palsy to a crippled saint Margaret of Castello to the bond of his Tuscan grandmother with Saint Gemma Galgani Religion exists not as a medium of making meanings Orsi maintains but as a network of relationships between heaven and earth involving people of all ages as well as the many sacred figures they hold dear Orsi argues that modern academic theorizing about religion has long sanctioned dubious distinctions between good or real religious

expression on the one hand and bad or bogus religion on the other which marginalize these everyday relationships with sacred figures This book is a brilliant critical inquiry into the lives that people make for better or worse between heaven and earth and into the ways scholars of religion could better study of these worlds Haunted Gem Gabriella Lucas,2025-02-24 She talks to ghosts He talks to God Gemma Martelli knows where all the bodies are buried and she talks to their spirits to help detectives solve cases All she needs is a piece of jewelry from the deceased to make contact When a detective asks for her help on a cold case the unsolved murder of Judith Walsh she s eager to get involved until she finds out who the young woman was engaged to Reverend Luke Bailey the man Gemma is crazy about Luke wants to move on from the tragic loss of his fianc and he s falling for Gemma But how will he feel when he discovers that it s Judith s spirit she s talking to

Finding Colin Firth Mia March,2013-07-09 Three women connected in secret and surprising ways are in for a life changing summer when rumor has it that actor Colin Firth is coming to their Maine town to film a movie The Place of the Herons Patricia Herington,2013 Tracing a true parent does not always produce the hoped for happy outcome Attempts to form a relationship can flounder without the security of the familiar Disappointment is a possibility and also the opposite a euphoria that can develop into an intensity of feeling difficult to cope with When Alex erupts totally unexpectedly into his mother s life the obsession which takes hold of them both fractures her marriage and his People around them are deeply affected Dramatic changes are inevitable The reader is left with the fragile hope that something may yet be salvaged fromjthe damage The British National Bibliography Arthur James Wells,2006 A Scream in the Night Suzie Lockhart,2020-08-03 Last Doorway Productions and Black Bed Sheet Books celebrate women in horror fiction by partnering to bring a chilling all female horror anthology Horror Host Miss Misery Reyna Young has brought together 13 stories bound to elicit the piercing shrieks women in cinema are known for Make no mistake however these hard hitting horror gems prove the softer sex can bring the punishment too Award winning editor Suzie Lockhart joins this terrifying team ensuring there will be no sleep tonight A requirement for all horror obsessed readers those who love to read under a blanket with flashlight in hand This mixture of scares things that go bump in the night and shocking twists will leave you screaming for more Stories by Reyna Young Maureen Whelan Anna Ace Cassandra Sechler Jennifer Nangle Debra Lamb Marjorie DeHey Meagan J Meehan Heidi Moore Lindsey Goddard Carson Buckingham Rie Sheridan Rose and Suzie Lockhart Relational Responses to Trauma in Twenty-First-Century French and Spanish Women's Writing Hannie Lawlor,2024-08-28 Relational Responses to Trauma in Twenty First Century French and Spanish Women s Writing offers new insight into what it means to write relational lives It broadens the parameters of existing discussions in terms of geography as well as genre drawing together two literatures whose prominence in life writing theory to date could hardly be more different while French women s writing has long been at the centre of international discussions of autobiography the relative invisibility of Spanish women s writing remains striking The dialogue that thus underpins this study between diverse twenty first century case studies and broader

approaches to life writing shines a light on what is gained from inviting different voices into the discussion These narrative projects challenge longstanding critical assumptions in autobiography studies and trauma theory about how writers can and should represent the multiple perspectives that are at the heart of intergenerational stories In exploring the narrative solutions that these texts propose in response to the ethical questions they navigate this book shows that writing relational lives rests on far more than the mere recounting of a shared history Relating in these texts it proposes is an act embedded in the telling of the story It is a mode of testifying together to traumatic experience one that reveals a powerful preoccupation in contemporary women s life writing practice with making more audible the many voices and versions that go unheard

The Loss of Our Not Knowing Emee Green,2016-03-12 It is the story of Cerys a girl finding her way through life and protecting herself and her younger brothers from its adversities Two men on opposite sides of the ocean become part of her self realization Riordan in Wales consumes her thoughts and dreams Lucien in California befriends her brothers and is himself a mystery Life s circumstances direct her into the profession of nursing a secondary choice The characters she meets will be long remembered The murder of a colleague within the hospital walls alerts us that danger may lurk anywhere The strength and optimism of one young woman reminds us that life can and does go on
