## Lost On The Trail:

*Lost Trail* Donn Fendler, 2011-11-01 Donn Fendler's harrowing story of being lost in the Maine wilderness when he was just twelve was made famous by the perennial best seller *Lost on a Mountain in Maine*. In *Lost Trail* more than 70 years after the event Donn tells the story of survival and rescue from his own perspective. *Lost Trail* is a masterfully illustrated graphic novel that tells the story of a twelve year old boy scout from a New York City suburb who climbs Maine's mile high Mt Katahdin and in a sudden storm is separated from his friends and family. What follows is a nine day adventure in which Donn lost and alone in the Maine wilderness with bugs, bears and only a few berries to eat struggles for survival. *Wild Cheryl Strayed*, 2013-03-26 1 NEW YORK TIMES BESTSELLER A powerful blazingly honest memoir the story of an eleven hundred mile solo hike that broke down a young woman reeling from catastrophe and built her back up again. At twenty two Cheryl Strayed thought she had lost everything. In the wake of her mother's death her family scattered and her own marriage was soon destroyed. Four years later with nothing more to lose she made the most impulsive decision of her life. With no experience or training driven only by blind will she would hike more than a thousand miles of the Pacific Crest Trail from the Mojave Desert through California and Oregon to Washington State and she would do it alone. Told with suspense and style sparkling with warmth and humor Wild powerfully captures the terrors and pleasures of one young woman forging ahead against all odds on a journey that maddened strengthened and ultimately healed her. *Story of the Lost Trail to Oregon--no. 2* Ezra Meeker, 1967 **Discovery of a Lost Trail** Charles Benjamin Newcomb, 2022-10-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it.
