Sulla Lynda Telford, 2014-02-11 Lucius Cornelius Sulla is one of the central figures of the late Roman Republic Indeed he is often considered a major catalyst in the death of the republican system the ambitious general whose feud with a rival Marius led to his marching on Rome with an army at his back leading to civil war and the terrible internecine bloodletting of the proscriptions In these things and in his appropriation of the title of dictator with absolute power he set a dangerous precedent to be followed by Julius Caesar a generation later Lynda Telford believes Sulla's portrayal as a monstrous brutal tyrant is unjustified While accepting that he was responsible for much bloodshed she contends that he was no more brutal than many of his contemporaries who have received a kinder press Moreover even his harshest measures were motivated not by selfish ambition but by genuine desire to do what he believed best for Rome The author believes the bias of the surviving sources and modern biographers has exaggerated the ill feeling towards Sulla in his lifetime After all he voluntarily laid aside dictatorial power and enjoyed a peaceful retirement without fear of assassination The contrast to Caesar is obvious Lynda

Telford gives a long overdue reappraisal of this significant personality considering such factors as the effect of his disfiguring illness The portrait that emerges is a subtle and nuanced one her Sulla is very much a human not a monster [Fodor's Italy 2013](#) Fodor's,2012 With hundreds of full color photos an updated edition highlights everything that visitors adore from Italy's art and architecture to glorious Tuscan hill towns to red hot nightlife and even more *Fodor's Italy 2015* Fodor's Travel Guides,2014-09-30 Written by locals Fodor's travel guides have been offering expert advice for all tastes and budgets for 80 years Fodor's Italy 2015 is the essential take along companion With inviting full color photos this updated edition highlights everything that visitors adore from Italy's great food and wine to art and architecture as well as glorious Tuscan hill towns shopping and much much more This travel guide includes Dozens of full color maps Hundreds of hotel and restaurant recommendations with Fodor's Choice designating our top picks A great itinerary to explore the top attractions and what's off the beaten path Coverage of Rome and environs Northern Italy Central Italy and Southern Italy Planning to focus on Rome Check out Fodor's travel guides to Rome **The Demographic Imagination and the Nineteenth-Century City** Nicholas Daly,2015-03-30 Provocative account exploring how a population explosion transformed nineteenth century European and American culture creating shared narratives of urban life [Fodor's Italy 2011](#) Fodor's,2010-09-28 Presents information on travel restaurants accommodations sightseeing and shopping for Italy bound tourists [Fodor's Southern Italy](#) Fodor's,2011-03-22 Get inspired and plan your next trip with Fodor's ebook travel guide to Southern Italy Intelligent Planning Discover all of the essential up to date details you expect in a Fodor's guide including Fodor's Choice dining and lodging top experiences and attractions and suggested itineraries Easy Navigation for E Readers Whether you're reading this ebook from start to finish or jumping from chapter to chapter as you develop your itinerary Fodor's makes it easy to find the information you need with a single touch In addition to a traditional main table of contents for the ebook each chapter opens with its own table of contents making it easy to browse Full Color Photos and Maps It's hard not to fall in love with southern Italy as you flip through a vivid full color photo album Explore the layout of city centers and popular neighborhoods with easy to read full color maps Plus get an overview of Italian geography with the convenient atlas at the end of the ebook Bonus Reading for the Love of Italy In addition to the quintessential travel tips you expect in a Fodor's guide we've included three excerpts from exceptional books about Italy Immerse yourself in Italy with cultural insights from these top selling authors Beppe Severgnini LA BELLA FIGURA Joseph Bastianich and David Lynch VINO ITALIANO Arthur Schwartz THE SOUTHERN ITALIAN TABLE Explore Southern Italy The region of Campania is a popular place both to unwind on the pint size island of Capri or the resort towns of the Amalfi Coast and to explore the past at the archaeological ruins of Pompeii Herculaneum and Paestum In the middle of everything is the vibrant chaotic city of Naples Farther south in the off the beaten path regions of Puglia Basilicata and Calabria you'll find attractive beaches mysterious ancient dwellings and the charming town of Lecce Across a narrow strait from Calabria is Sicily Baroque church hopping could be a sport on the cacophonous streets of

Joshel, Lauren Hackworth Petersen, 2015-10-01 The Material Life of Roman Slaves is a major contribution to scholarly debates on the archaeology of Roman slavery Rather than regarding slaves as irretrievable in archaeological remains the book takes the archaeological record as a key form of evidence for reconstructing slaves lives and experiences Interweaving literature law and material evidence the book searches for ways to see slaves in the various contexts to make them visible where evidence tells us they were in fact present Part of this project involves understanding how slaves seem irretrievable in the archaeological record and how they are often actively if unwittingly left out of guidebooks and scholarly literature Individual chapters explore the dichotomy between visibility and invisibility and between appearance and disappearance in four physical and social locations urban houses city streets and neighborhoods workshops and villas

Philo of Alexandria: On the Contemplative Life Joan E. Taylor, David M. Hay, 2020-11-09 On the Contemplative Life is known for its depiction of a philosophical group of Jewish men and women known as the Therapeutae Yet the reasons for their depiction have been little understood In the first commentary on the treatise in English for over 100 years the social cultural and political background of the times in which Philo lived are shown to be crucial in understanding Philo's purposes As Alexandrian Jews were vilified and attacked Philo went to Rome to present the case for his community faced with intense opposition Side stepping direct confrontation Philo here cleverly presents the Therapeutae as the pinnacle of excellence most especially in their communal meal while ridiculing his accusers in a stinging parody of a festive banquet
