mariners were Atlanteans and that the destruction of Atlantis by war and natural catastrophe brought about the end of Bronze Age civilization Furthermore Atlantis s survivors dispersed to all sides of their former island empire into Western Europe the Near East and North and South America In *Survivors of Atlantis* Frank Joseph provides an in depth study of the Atlantean war and the intimate connections it had with the last of four great cosmic catastrophes generated by the cyclical return of a comet and its debris This quartet of natural disasters was followed by mass migrations recorded in the histories of such diverse peoples as the Incas of Peru the Celtic Irish the Classical Greeks and the Aztecs of Mexico Where the archaeology mythology astronomy and geology of these cultures coincide a common thread is exposed Atlantis Joseph shows that the fate of the Atlantean empire is the story of early civilization and reveals Atlantis to be a credible part of the world s history

Lost Worlds of Ancient and Modern Greece D. J. Ian Begg,2021-04-30 By day young Gilbert Bagnani studied archaeology in Greece but by night he socialised with the elite of Athenian society Secretly writing for the *Morning Post* in London he witnessed both antebellum Athens in 1921 and the catastrophic collapse of Christian civilisation in western Anatolia in 1922 While there have been many accounts by refugees of the disastrous flight from Smyrna few have been written from the perspective of the west side of the Aegean The flood of a million refugees to Greece brought in its wake a military coup in Athens the exile of the Greek royal family and the execution or imprisonment of politicians whom Gilbert knew Gilbert s weekly letters to his mother in Rome reveal his Odyssey like adventures on a voyage of discovery through the origins of western civilisation As an archaeologist in Greece he travelled through time seeing history repeat itself Minoan Knossos Byzantine Constantinople and Ottoman Smyrna were all violently destroyed but the survivors escaped to the new worlds of Mycenaean Greece Renaissance Venice and modern Greece At Smyrna in the twentieth century history was written not only by the victors but was also recorded by the victims At the same time however the twentieth century itself was so filled with reports of ethnic cleansings on such a scale that the reports brutalized the humanity of the supposedly civilized people reading about them and the tragedy of Smyrna disappeared from public awareness between the cataclysmic upheavals of the First and Second World Wars
