Lost Continents L. Sprague de Camp, 2012-07-17 DIV Leading authority examines facts and fancies behind the Atlantis theme in history science and literature Sources include Plato Thomas More K T Frost and many other citations both famous and lesser known Related legends are also recounted and refuted and reports document attempts to prove the continent's existence including accounts of actual expeditions div Lost Continents & the Hollow Earth David Hatcher

Childress, Richard S. Shaver, 1999 This book is Childress' thorough examination of the early hollow earth stories of Richard Shaver and the fascination that fringe fantasy subjects such as lost continents UFOs and the hollow earth have had on people Shaver's rare 1948 book *I Remember Lemuria* is reprinted in its entirety and the book is packed with illustrations from Ray Palmer's *Amazing Stories* issues of the 1940s Childress discusses famous hollow earth books and delves deep into whatever reality may be behind the stories of tunnels underground **Vanished Islands and Hidden Continents of the Pacific**

Patrick D. Nunn, 2008-10-31 Islands as well as entire continents are reputed to have disappeared in many parts of the world Yet there is little information on this subject concerning its largest ocean the Pacific Over the years geologists have amassed data that point to the undeniable fact of islands having disappeared in the Pacific a phenomenon that the oral traditions of many groups of Pacific Islanders also highlight There are even a few instances where fragments of Pacific continents have disappeared becoming hidden from view rather than being submerged In this scientifically rigorous yet readily comprehensible account of the fascinating subject of vanished islands and hidden continents in the Pacific the author ranges far and wide from explanations of the region's ancient history to the meanings of island myths Using both original and up to date information he shows that there is real value in bringing together myths and the geological understanding of land movements A description of the Pacific Basin and the ups and downs of the land within its vast ocean is followed by chapters explaining how long before humans arrived in this part of the world islands and continents that no longer exist were once present A succinct account is given of human settlement of the region and the establishment of cultural contexts for the observation of occasional catastrophic earth surface changes and their encryption in folklore The author also addresses the persistent myths of a sunken continent in the Pacific which became widespread after European arrival and were subsequently incorporated into new age and pseudoscience explanations of our planet and its inhabitants Finally he presents original data and research on island disappearances witnessed by humans recorded in oral and written traditions and judged by geoscience to be authentic Examples are drawn from throughout the Pacific showing that not only have islands collapsed and even vanished within the past few hundred years but that they are also liable to do so in the future Lost Continents Lyon Sprague De Camp, 1954 *Atlantis & Lemuria* Tom T. Moore, 2015-08-01 Sixty thousand years ago Earth had two more continents than it does today each larger than what we now know as Australia Why are they no longer there One of these additional continents Atlantis was located in the Atlantic Ocean between North America and Africa The other Lemuria was

located in the Pacific Ocean In this book you ll learn all about these huge continents and the great civilizations who called them home What did they look like What was daily life like for them What happened to them Tom asks these intriguing questions and many more The answers revealed on the pages within dig into the mysteries surrounding the continents of Atlantis and Lemuria and their eventual destructions      **The Lost Continent** Charles John Cutcliffe Wright Hyne,2015-11-26 The finest tale ever written of fabled Atlantis The Lost Continent is a sweeping fiery saga of the last days of the doomed land Atlantis at the height of its power and glory is without equal It has established far flung colonies in Egypt and Central America and its mighty navies patrol the seas The priests of Atlantis channel the elemental powers of the universe and a powerful monarch rules from a staggeringly beautiful city of pyramids and shining temples clustered around a sacred mountain Mighty Atlantis is also decaying and corrupt Its people are growing soft and decadent and many live in squalor Rebellion is in the air and prophecies of doom ring forth Into this epic drama of the end of time stride two memorable characters the warrior priest Deucalion stern just and loyal and the Empress Phorenice brilliant ambitious and passionate The old and new Atlantis collide in a titanic showdown between Deucalion and Phorenice a struggle that soon affects the destiny of an entire civilization      **Atlantis and Lemuria: The Lost Continents Revealed** Tom T. Moore,2015-08-15
