summer of 1975 Tim McMahon a cocky young man from back East flew to Alaska to supervise a boring government survey. Not surprisingly he had other plans in mind such as having a good time and pursuing what Alaska had to offer. To finish the survey on time he did resort to the kind of shortcuts he had always taken. Tim jumped right into life out in The Great North meeting a beautiful woman with an absent husband all while letting his assistant do almost all of the work. Soon his life was totally out of control. Enter a new cast of characters: Lenny his goofy high school friend whose stories were more outrageous than helpful; Katherine his no-nonsense assistant who wouldn't let Tim get away with any shenanigans; and Father Kevin the excommunicated Catholic priest with some actually good advice. With their help Tim started to turn things around and help others. But the most important question of all remains: did he finish that damn survey on time? **The Compensation**

The Kenai offers coastal forest, subalpine tundra, and even glacial hiking opportunities accessible to most. The hikes in this book range from an easy half-mile walk through a boggy lowland meadow to more challenging multi-day hikes through mountainous terrain.
