Lost Trumpet:

The Lost Trumpet James Leslie Mitchell, Lewis Grassic Gibbon, 2001 James Leslie Mitchell s Lewis Grassic Gibbon fiction of Scotland has made him famous but there is another side to his writing which he published in his own name his passion for writing about the world of history archaeology and myth In this novel published for the first time since 1932 the characters are all drawn to the deserts of Egypt by the legendary Lost Trumpet which was believed to have blown down the walls of Jericho They are entranced by its beauty and its dangers and the thrill of finding some relic of a past which could still blow through the political struggles of the 1930s and bring some clarity to a world they find puzzling and sometimes repellent The Lost Trumpet is an amazing evocation of Egypt heavily characteristic of Gibbon's early stories steeped in the memory of his days in the armed forces served in the East on the Nile exploring the sounds and sights and smells of Egypt It reminds us that Grassic Gibbon was a major author with a wide range of talent which re publication is making available after many years of neglect BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved The **Abridgment** United States. Shawbrooks, 2016-06-01 The Hebrew Christian religion remains the most potent verifiably truthful religion on the planet It suffers horrendously from murderous oppression in the Middle East its homeland and was crushed flat by the largest political State the world has ever known Soviet Russia and it endures heavy disheartenment by flawed innuendo and secularisation throughout Europe Despite these massive attacks from mistaken religion hard line atheists and dont know cant be bothered groups yet it remains And more than this It remains philosophically socially prophetically and scientifically the largest most credible and consistent belief system on the planet Its not by accident that non violent Christianity believing in the non violent Ten Commandments and the beautiful spirit of them in the Beatitudes can survive such intense mentalphysical violent persecution and still remain so vibrant True Christians know The only reason it is so is because the holy Messiah God of Israel is the only true God He rules over all the kingdoms of men but its only the kingdom of Christianity which knows this He loves all humans but not their thoughtsactions However only Christians recognise this and sincerely give thanks that He is their God their prophet priest and king He prophesied that enormous ungodliness would come against His church and followers but these gates of hell would not overcome it and so it is now as we head towards Armageddon and the end of the human age This book explains His prophecies and associated key milestone calculations. This is one of many ways witnessing that He is the genuine unique

article just as the Hebrew Christian Bible says The purpose of our existence is to have a loving relationship with Him When humans choose to reject Him it causes us to create corrupt and false gods Without realising it many religious people worship corrupt gods and atheism worships its false no God god These cannot bring a person into the paradise of fruitful everlasting life their ways effectively bring people into a fruitless everlasting living death This grieves the Messiah God of Israel because He loves fruitful life To encourage us and to verify who He is He leaves indicators throughout history evidencing even now in these days of the deeply sceptical cheating spirit that humans are without excuse come the judgement Lawrence D Shawbrooks is now retired but continues to work as an Elder in the Church oversight The First Quarto of King Lear William Shakespeare,1994 This edition of Shakespeare s King Lear is based on the first 1608 quarto and represents a significantly different version from that published in the folio of 1623 which forms the basis of the standard New Cambridge Shakespeare edition Each has numerous unique passages and hundreds of variant readings creating differences that affect the structure characterization and overall impact of the play This volume contains a substantial introduction the text of the first quarto a collation of variant readings and an appendix of passages unique to the Folio Golden Age ,1926
