The Beatles Bob Spitz, 2012-06-25 The definitive biography of The Beatles hailed as irresistible by the New York Times riveting by the Boston Globe and masterful by Time As soon as The Beatles became famous the spin machine began to construct a myth one that has continued to this day But the truth is much more interesting much more exciting and much more moving the highs and the lows the love and the rivalry the awe and the jealousy the drugs the tears the thrill and the magic to never be repeated In this vast revelatory exuberantly acclaimed and bestselling book Bob Spitz has written the biography for which Beatles fans have long waited Love in the Days of Rage Lawrence Ferlinghetti, 2001-10-02 The more I make love the more I want revolution the more I make revolution the more I want to make love In Paris in May of 1968 revolution and love are very much in the air The barricades are going up the students of the Sorbonne are taking to streets alive with the graffiti of revolt and the Odeon is ablaze with speechmaking For Annie a young American painter and Julian her Portuguese lover a banker and anarchist the events of that Paris spring form the backdrop against which their love affair is played Annie sees the world through an artist's eyes she is reckless in her passions wanting and needing love with other people There is none of this fanciful nonsense for Julian an anarchist disdainful of the entire human race who thinks even the enraged students storming the streets of Paris with their posters proclaiming open the windows of your heart and revolution is the ecstasy of history to be hopelessly naive and sheeplike Ferlinghetti charts the progress of love unfolding against those heady and momentous days when the pampered children of the bourgeoisie tried to find common cause with workers who despised them when Julian and Annie were in the heat of their love and reason *The masterpiece library. trying to come to terms with his beloved brother's inevitable death Fernando rants against the political forces that cause so much suffering Vallejo is the heir to C line Thomas Paine and Machado de Assis He hurls vitriolic savagely funny insults at his country I wipe my ass with the new Constitution of Colombia and at his mother the Crazy Bitch who has given birth to him and his many siblings Within this firestorm of pain Fernando manages to get across much beauty and truth that all love is painful and washed in pure sorrow He loves his sick brother and the family's Santa Anita farm the lost paradise of his childhood where azaleas bloomed and he even loves his country now torn to shreds Always in this savage masterpiece about loss as if in the eye of Vallejo's hurricane of talent we are in the curiously comforting workings of memory and of the writing process itself as recollecting time it offers immortality
