

A young man and woman are walking together in a sunlit park. The woman is on the left, wearing a dark jacket over a light-colored top, and the man is on the right, wearing a dark jacket over a light blue shirt. They are both looking down and smiling. The background is a soft-focus view of trees and a path.

The 7 Initiatory Fires of Modern Manhood Hendrix Black,2023-05-09 Lost in the fervent call for men to be more is the fact that man already is more than he s ever been Almost unreasonably more Written with the goal of positively impacting the lives of 50 million men and their families for generations to come The 7 Initiatory Fires of Modern Manhood is a practical guidebook and self development path for modern men At a high level The 7 Initiatory Fires of Modern Manhood is built upon the premise that contrary to popular belief initiation into manhood hasn t disappeared It s simply been misunderstood And that as a modern man the grounds for deep and permanent transformation are already present in everyday life Namely in intimate relationships fatherhood pursuit of purpose business and livelihood thriving physically and mentally in an unhealthy world thriving emotionally and spiritually in an unbalanced world and expressing fully in a suppressed world All of these fires when approached from a place of deep reverence regenerative power and expansive possibility provide the accelerated growth and awakening that true initiation has always entailed In that spirit The 7 Initiatory Fires of Modern Manhood presents a grounded and structured path of inner and outer development for men offering a fresh take on men s work and a clear path that brings courage and direction to an otherwise arduous and often missed pursuit

ENDLESS LOVE, ROMANCE , AND INTIMACY Bukenya Siraje, As a society we are embarrassed by love We treat it as if it were an obscenity We reluctantly admit to it Even saying the word makes us stumble and blush Love is the most important thing in our lives a passion for which we would fight or die and yet we re reluctant to linger over its names Without a supple vocabulary we can t even talk or think about it directly As the title ENDLESS LOVE ROMANCE AND intimacy indicates we want to live in a culture where love can flourish We yearn to end the lovelessness that is so pervasive in our society This book tells us how to return to love ENDLESS LOVE ROMANCE AND intimacy provides radical new ways to think about the art of loving offering a hopeful joyous vision of love s transformative power it lets us know what we must do to love again Gathering love s wisdom it lets us know what we must do to be touched by love s grace THERE ARE NOT many public discussions of love in our culture right now At best popular culture is the one domain in which our longing for love is talked about Movies music magazines and books are the place where we turn to hear our yearnings for love expressed Yet the talk is not the life affirming discourse of the sixties and seventies which urged us to believe All you need is love Nowadays the most popular messages are those that declare the meaningless of love its irrelevance A glaring ex ample of this cultural shift was the tremendous popularity of Tina Turner s song with the title boldly declaring What s Love Got to Do with it I was saddened and appalled when I interviewed a well known female rapper at least twenty years my junior who when asked about love responded with biting sarcasm Love what s that have never had any love in my life Youth culture today is cynical about love And that cynicism has come from their pervasive feeling that love can not be found Expressing this concern in When All You

ve ever Wanted isn t Enough Harold Kushner writes lam afraid that we may be raising a generation of young people who will grow up afraid to love afraid to give them selves completely to another person because they will have seen how much it hurts to take the risk of loving and have it not work out am afraid that they will grow up looking for intimacy without risk for pleasure without significant emotional investment They will be so fearful of the pain of disappointment that they will forgo the possibilities of love and joy Young people are cynical about love Ultimately cynicism is the great mask of the disappointed and betrayed heart When I travel around the nation giving lectures about ending racism and sexism audiences especially young listeners become agitated when I speak about the place of love in any movement for social justice
