serve LGBTQ community This book clears doubts and confusions on LGBTQ through 10 questions in the first section It tries to rebut general arguments from objective and scientific perspective In the second section it discusses LGBTQ from biblical perspective through 16 questions Lastly the editors laid out 6 questions to discuss the relation between Christians and the society on LGBTQ issue Each answer begins with quick response to give readers the key concept then followed by elaboration and more supplementary information This structure is clear and easy to follow What I appreciate the most is that it does not merely lay out a pile of data and evidence but also shares ministry tips at the end of some answers so that readers can break through the frame of merely knowledge thinking and critique and more important they can learn how to bridge the gap between the LGBTQ and us counsel and serve LGBTQ community Whether you want to know more the issue or feel the burden to serve the LGBTQ community this book is worth to read Bishop Dr Titus Chung Anglican Diocese of Singapore President National Council of Churches of Singapore

Bisexuality and the Western Christian Church Carol A. Shepherd,2018-08-01 This book critically examines the lived experiences of bisexual Christians across a range of Christian traditions in the UK and the USA Shepherd assesses whether current data on elevated rates of depressive illnesses among bisexual people also apply to the bisexual Christian community Drawing on data collected by the author on bisexual Christians across the lifespan the book uncovers shocking incidences of biphobia and bi erasure in the Church Widespread ignorance among pastors of middle sexualities outside of the hetero homonormative binary is revealed as well as a corresponding absence of appropriate support resources *Bisexuality and the Western Christian Church* will be of interest to students and scholars across a range of disciplines including gender studies applied theology sociology and social psychology It is also important reading for clergy and LGBT faith organisations With a Foreword by Eric Anderson Professor of Sport Masculinities and Sexualities University of Winchester UK *Misguided Love* Charles Fensham,2019-11-01 The invitation of this book is for my readers who are Christian to consider the dimension of harm in the ongoing debates on affirming or not affirming sexual and gender minority Christians within church communities Much has been said and much is written on biblical interpretation and Christian traditions of teaching There are also many arguments on the issue of justice and equality that have been made for and against the affirmation of sexual and gender minorities Here I bring evidence of the history of harm and the infliction of harm on sexual and gender minority Christians In South Africa my country of origin I lived through the apartheid era and experienced first hand how biblical teaching can be used in pious ways to exploit discriminate and kill people Presently and in the past similar things happen to sexual and gender minority Christians When we discover that we do harm we must stop Charles Fensham Modern Christianity Corrupted Bob Klingenberg,Robert Klingenberg,2012-06-08 The roots of an insidious Religious Humanism have for some time now steadily been growing deeper and deeper and taking a firm hold in the modern Christian Church in America and across the world The lethality of this rooting is that Religious Humanism is filled with false teachings which are historically known as heresies Sex in Christianity and Psychoanalysis William Graham Cole,2015-11-06 Originally published in 1956 this survey of the interpretations of sex by the major figures in Christian thought and in psychoanalysis made an important contribution to the re thinking of our sexual morality at the time The author refutes the common belief that the negative attitude toward sex and the body which had been predominant in western civilization originated with Christianity He shows that such a viewpoint was widespread in the early Hellenism Age nearly three centuries before Christ He emphasizes the essentially positive view which Biblical religion demands and shows how Christianity s attitude early became corrupted by the dualism of the Orient He points to the need for a return to essential naturalism and the Biblical interpretation of sex The

first part of the book consists of a historical treatment in the Christian tradition touching upon the teaching of Jesus Paul Augustine Aquinas Luther Calvin and others He analyses the classical and contemporary attitudes and ideas in both Catholic and Protestant circles and shows how Christian understanding comes into conflict with psychoanalysis In the later portions of the book the author discusses sex and psychoanalysis and the major problems in sexual mores He ends with a synthesis of the religious and psychoanalytic points of view and a critical reconstruction of a Christian interpretation
