Lovely Me Barbara Seaman, 1996-08-06 Barbara Seaman's pioneering biography of the author of *Valley of the Dolls* *The Love Machine* and other mega sellers examines the life of a woman who exhibited amazing strength in every aspect of her life from getting her writing published and promoted to fighting her ultimate adversary breast cancer **Lovely Me** Barbara Seaman, 1988 **Russ Meyer--The Life and Films** David K. Frasier, 2010-06-28 Credited with having opened the floodgates of screen permissiveness in 1959 with the landmark nudie *The Immoral Mr Teas* legendary independent softcore filmmaker Russ Meyer has continued throughout his 30 year career and 23 films to expand the limits of screen freedom with such genre classics as *Lorna* 1964 *Faster Pussycat Kill Kill* 1966 and *Vixen* 1969 Long recognized as an American auteur and honored by numerous international retrospectives of his work Meyer's story provides valuable insights into independent filmmaking the history of the modern sexploitation genre and cinema censorship Researched from underground popular and film literature this book also incorporates much of the material contained in Meyer's own vast archive to give an in depth study of the director dubbed King Leer **Not Pretty Enough** Gerri Hirshey, 2016-07-12 In *Not Pretty Enough* Gerri Hirshey reconstructs the life of Helen Gurley Brown the trailblazing editor of *Cosmopolitan* whose daring career both recorded and led to a shift in the sexual and cultural politics of her time When Helen Gurley Brown's *Sex and the Single Girl* first appeared in 1962 it whistled into buttoned down America like a bombshell Brown declared that it was okay even imperative for unmarried women to have and enjoy a sex life and that equal rights for women should extend to the bedroom and the workplace How dare you thundered newspapers radio hosts and mostly male citizens But more than two million women bought the book and hailed her as a heroine Brown was also pilloried as a scarlet woman and a traitor to the women's movement when she took over the failing Hearst magazine *Cosmopolitan* and turned it into a fizzy pink guidebook for do me feminism As the first magazine geared to the rising wave of single working women it sold wildly Today more than 68 million young women worldwide are still reading some form of Helen Gurley Brown's audacious yet comforting brand of self help HGB wasn't the ideal poster girl for secondwave feminism but she certainly started the conversation Brown campaigned for women's reproductive freedom and advocated skill and brazenry both on the job and in the boudoir along with serial plastic surgery When she died in 2012 her front page obituary in the *New York Times* noted that though she succumbed at ninety parts of her were considerably younger Her life story is astonishing from her roots in the Ozark Mountains of Arkansas to her single girl decade as a *Mad Men* era copywriter in Los Angeles which informed her first bestseller to her years at the helm of *Cosmopolitan* Helen Gurley Brown told her own story many times but coyly with plenty of camouflage Here for the first time is the unvarnished and decoded truth about how she did it from her comet like career to bagging her husband of half a century the movie producer David Brown Full of firsthand accounts of HGB from many of her closest friends and rediscovered little known interviews with the woman herself Gerri Hirshey's *Not Pretty Enough* is a vital biography that

Vanderbilt,1999-01-01 Writer F Scott Fitzgerald s career itself is a metaphor for the vagaries of book publishing If Fitzgerald would have had his way we would today refer to The Great Gatsby as either Gold Hatted Gatsby Trimalchio in West Egg or The High Bouncing Lover A few years before Gatsby Fitzgerald had become a literary sensation at the age of 23 Helen Hooven Santmyer a contemporary of Fitzgerald s would not have a successful novel published until she was 88 and living in a nursing home In this book the author explores that mysterious place in publishing where art and commerce can either clash mesh or both Along the way a wide range of authors from the literary greats to today s commercial superstars editors agents and publishers share their thoughts insights and experiences What inspires writers John Steinbeck for example wrote every novel as if it were his last as if death were imminent Why are some books successful and appreciated while others fall into oblivion The answers are often elusive never absolute but the stories and anecdotes are always fascinating Must Read: Rediscovering American Bestsellers Sarah Churchwell,Thomas Ruys Smith,2012-08-02 A unique survey and interpretive history spanning 200 years of the American bestseller The Anatomy of Buzz Emanuel Rosen,2002-05-14 A groundbreaking guide to creating the word of mouth magic that cuts through the skepticism and information overload of today s consumers and drives sales and profits to new heights What turns a sleeper into a box office bonanza or catapults a just released book to the top of bestseller lists How do people decide which car to buy which fashions fit the image they seek and even which movie to see Despite the daily assault of advertising and other traditional marketing strategies statistics show that consumers are overwhelmingly persuaded by word of mouth the recommendations of friends and the buzz that develops in the marketplace As Newsweek recently proclaimed Buzz greases the great conveyor belt of culture and commerce moving everything from movies to fashions of the body and mind faster and faster In The Anatomy of Buzz former marketing VP Emanuel Rosen pinpoints the products and services that benefit the most from buzz a universe that embraces everything from high tech equipment to books various consumer and entertainment products to legal and other support services and offers specific strategies for creating and sustaining effective word of mouth

campaigns Drawing from interviews with more than 150 executives marketing leaders and researchers who have successfully built buzz for major brands Rosen describes the ins and outs of attracting the attention of influential first users and big mouth movers and shakers He also discusses proven techniques for stimulating customer to customer selling including how companies can spread the word to new territories by taking advantage of customer hubs and networks on the Internet and elsewhere Recent surveys show that 58 percent of young people rely to some extent on others when selecting a car 53 percent of moviegoers follow the recommendations of friends and 65 percent of the people who bought a Palm organizer were inspired by the enthusiasm of others With The Anatomy of Buzz business leaders have what they need to start the buzz and reignite excitement about a product or service stalled in a holding pattern or launch a new product into the stratosphere

the Manson Murders Greg King,2016-10-25 The first comprehensive biography of Sharon Tate Hollywood star wife of Roman Polanski victim of Charles Manson and symbol of the death of the 1960s It began as a home invasion by the Manson family in the early hours of August 9 1969 It ended in a killing spree that left seven people dead actress Sharon Tate writer Voyteck Frykowski coffee heiress Abigail Folger hair stylist Jay Sebring student Steven Parent and supermarket owner Leno LaBianca and his wife Rosemary The shock waves of these crimes still reverberate today They have also over time eclipsed the life of their most famous victim a Dallas Texas beauty queen with Hollywood aspirations After more than a dozen small film and television roles Tate gained international fame with the screen adaptation of Jacqueline Susann's Valley of the Dolls but The Fearless Vampire Killers marked a personal turning point as she would marry its star and director Roman Polanski Tate now had a new dream to raise a family and she was only weeks away from giving birth the night Charles Manson's followers murdered her Drawn from a wealth of rare material including detective reports parole transcripts Manson's

correspondence and revealing new interviews with Tate's friends and costars as well as surviving relatives of the murder victims Sharon Tate and the Manson Murders gives readers a vital new perspective on one of the most notorious massacres of the twentieth century. The dark legacy of the cult phenomenon is still being explored in novels Emma Cline's *The Girls* and TV shows NBC's *Aquarius*. In addition to providing the first full-fledged biography of Sharon Tate, author Greg King finally gives a voice to the families of the slain, notably Tate's mother Doris. Her advocacy for victims' rights was recognized during President George H. W. Bush's 1992 A Thousand Points of Light ceremony. This is the true story of a star who is being rediscovered by a new generation of fans: a woman who achieved in death the fame she yearned for in life.
