Brotherhood of Locomotive Firemen and Enginemen's Magazine ,1884     **The Chautauquan** ,1892     The Kingdom of the Lovers of God Jan van Ruusbroec,1919     *Modern Love* David Shumway,2003-08 My ideas of romance came from the movies said Woody Allen and it is to the movies as well as to novels advice columns and self help books that David Shumway turns for his history of modern love Modern Love argues that a crisis in the meaning and experience of marriage emerged when it lost its institutional function of controlling the distribution of property and instead came to be seen as a locus for feelings of desire togetherness and loss Over the course of the twentieth century partly in response to this crisis a new language of love intimacy emerged not so much replacing but rather coexisting with the earlier language of romance Reading a wide range of texts from early twentieth century advice columns and their late twentieth century antecedent the relationship self help book to Hollywood screwball comedies and from the relationship films of Woody Allen and his successors to contemporary realist novels about marriages Shumway argues that the kinds of stories the culture has told itself have changed Part layperson's history of marriage and romance part meditation on intimacy itself Modern Love will be both amusing and interesting to almost anyone who thinks about relationships and who doesn't     *Driving Customer Appeal Through the Use of Emotional Branding* Garg, Ruchi,Chhikara, Ritu,Panda, Tapan Kumar,Kataria, Aarti,2017-09-13 The value of advertising has always been an effective way to increase consumerism among customers Through the use of emotional branding companies and organizations can now target new and old patrons while building a strong relationship with them at the same time to ensure future sales Driving Customer Appeal Through the Use of Emotional Branding is a critical scholarly resource that examines the responses consumers have to differing advertising strategies and how these reactions impact sales Featuring relevant topics such as multisensory experiences customer experience management brand hate and product innovation this publication is ideal for CEOs business managers academicians students and researchers that are interested in discovering more effective and efficient methods for driving business     *Billboard* ,1985-01-26 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends     **Oriental World** ,1919     **Eugene O'Neill's Creative Struggle** Doris Alexander,2010-11 In Eugene O'Neill's Creative Struggle Doris Alexander gives us a new kind of inside biography that begins where the others leave off It follows O'Neill through the door into his writing room to give a blow by blow account of how he fought out in his plays his great life battles love against hate doubt against belief life against death to an ever expanding understanding It presents a new kind of criticism showing how O'Neill's most intimate struggles worked their way to resolution through the drama of his plays Alexander reveals that he was engineering his own consciousness through his plays and solving his life problems while the tone imagery and richness of the plays all came out of the nexus of memories

summoned up by the urgency of the problems he faced in them By the way of O'Neill this study moves toward a theory of the impulse that sets off a writer's creativity and a theory of how that impulse acts to shape a work not only in a dramatist like O'Neill but also in the case of writers in other mediums and even of painters and composers The study begins with *Desire Under the Elms* because that play's plot was consolidated by a dream that opened up the transfixing grief that precipitated the play for O'Neill and it ends with *Days Without End* when he had resolved his major emotional philosophical struggle and created within himself the voice of his final great plays Since the analysis brings to bear on the plays all of his conscious decisions ideas theories as well as the life and death struggles motivating them documenting even the final creative changes made during rehearsals this book provides a definitive account of the nine plays analyzed in detail *Desire Under the Elms* *Marco Millions* *The Great God Brown* *Lazarus Laughed* *Strange Interlude* *Dynamo* *Mourning Becomes Electra* *Ah Wilderness* and *Days Without End* with additional analysis of plays written before and after
