Lovers Guide The Art Of Better Lovemaking:

The Lovers' Guide Andrew Stanway,1992 **The Lovers' Guide - Laid Bare: The Art of Better Lovemaking**

Andrew Stanway,2011-09 The Lovers Guide is the most frank informative and visually explicit guide to lovemaking ever published It shows young couples how to take the first steps towards sexual intimacy with loving care and confidence and experienced partners how to revive and improve their lovemaking techniques **The Routledge Companion to Media, Sex and Sexuality** Clarissa Smith,Feona Attwood,2017-08-09

The Routledge Companion to Media Sex and Sexuality is a vibrant and authoritative exploration of the ways in which sex and sexualities are mediated in modern media and everyday life The 40 chapters in this volume offer a snapshot of the remarkable diversification of approaches and research within the field bringing together a wide range of scholars and researchers from around the world and from different disciplinary backgrounds including cultural studies education history media studies sexuality studies and sociology The volume presents a broad array of global and transnational issues and intersectional perspectives as authors address a series of important questions that have consequences for current and future thinking in the field Topics explored include post feminism masculinities media industries queer identities video games media activism music videos sexualisation celebrities sport sex advice books pornography and erotica and social and mobile media The Routledge Companion to Media Sex and Sexuality is an essential guide to the central ideas concepts and debates currently shaping research in mediated sexualities and the connections between conceptions of sexual identity bodies and media technologies *Mediated Intimacy* Meg-John

Barker,Rosalind Gill,Laura Harvey,2018-02-27 Mediated Intimacy looks at contemporary sex and relationship advice exploring how our intimate lives are shaped through different media from manuals and magazines to television and Twitter By exploring how intimacy is constructed through different media texts the authors consider which ideas and practices these changing forms of sexpertise open up and which they close down The book reveals the intimate operation of power in mediated advice how words and images stories and sound can work to shore up social injustice It critically engages with the ideas of choice and responsibility in sex self help arguing that these can obscure and or justify oppression even if they are sometimes experienced as empowering and or pleasurable This bold and incisive book provides a radical challenge to the assumptions underlying the sex advice industry and presents a critical collaborative and consensual vision for sex advice of the future **An Art Lover's Guide to Florence** Judith Testa,2012-09-15

No city but Florence contains such an intense concentration of art produced in such a short span of time The sheer number and proximity of works of painting sculpture and architecture in Florence can be so overwhelming that Florentine hospitals treat hundreds of visitors each year for symptoms brought on by trying to see them all an illness famously identified with the French author Stendhal While most guidebooks offer only brief descriptions of a large number of works with little discussion of the historical background Judith Testa gives a fresh perspective on the rich and brilliant art of the Florentine Renaissance in An Art Lover's Guide to Florence

Concentrating on a number of the greatest works by such masters as Botticelli and Michelangelo Testa explains each piece in terms of what it meant to the people who produced it and for whom they made it deftly treating the complex interplay of politics sex and religion that were involved in the creation of those works With Testa as a guide armchair travelers and tourists alike will delight in the fascinating world of Florentine art and history

Molly Top's Teen Guide to Love, Sex, and No Regrets Elizabeth L. Clark, Molly Top, 2011-06 Nineteen year old Top wants everyone to have a great sex life now and forever especially teens She is the combination of teen voices asking for better sex lives than they suspect fellow teens and parents are having Teens are asking for true wisdom about sex rather than abstinence only plus have at it porn messages they get now

A Frenchwoman's Guide to Sex after Sixty Marie de Hennezel, 2017-10-29 A Frenchwoman's advice for how women and men of a certain age can enjoy love sex and desire in their sixties and seventies and beyond With wit and a soup on of irreverence Marie de Hennezel shows that there is no age limit for erotic joy Through interviews with countless older French women and men de Hennezel uncovers a plethora of tips for enjoying a rich and satisfying sex life after age sixty She suggests that perhaps the most important point is to have a positive self image to love yourself and instead of worrying about wrinkles and other outward signs of aging to cultivate an inner youthfulness which combined with a certain maturity she says can be sexier than youth all by itself It is better to skip the plastic surgery and intense workouts at the gym and focus on sensuality pleasure and emotional intimacy instead Other tips for how to keep that certain je ne sais quoi include forgetting about sexual performance shifting from thinking about the body you have how it looks in the mirror to focusing on the body you are how it feels and being able to surrender during love and sex Bringing a sense of humor and a bit of playfulness to the boudoir doesn't hurt either

Dr. Ruth's Guide to Talking about Herpes Ruth Karola Westheimer, Pierre A. Lehu, 2004 In 1980 when Dr Ruth's New York radio show debuted herpes has just hit the headlines When the show went live a year later many of the questions people asked her were about this surging sexually transmitted disease A short while later

AIDS was making headlines and herpes was relegated to the media back burner But while there s no denying that AIDS is a much more serious STD herpes has done its share of damage and today it is estimated that nearly 60 million Americans are infected with this disease What s more there are over one million newly diagnosed cases of herpes each year This book is not only for people who have just discovered they have herpes but also for the millions of Americans who are living with herpes and want a game plan for talking about their disease with fellow herpes sufferers loved ones and potential lovers Structured throughout the book in addition to Dr Ruth s no nonsense advice are quotes from people who are living with herpes that Dr Ruth interviewed at length for this book Each chapter concludes with a list of helpful pointers or highlights summarizing the main points discussed within that chapter Dr Ruth deals with the basics of herpes first what it is what kinds of herpes there are HSV 1 which is responsible for cold sores and HSV 2 which is responsible for genital herpes how herpes can be transmitted and walks you through the stages of infection initial outbreak latency period and subsequent outbreaks What makes herpes so transmittable is that 90% who are carrying the virus aren t even aware they are carrying it Finally Dr Ruth explains how to prevent herpes transmission and the various kinds of herpes therapy available Subsequent chapters offer helpful pointers on how to come to grips with herpes emotionally and how to learn to take charge of your treatment which can be difficult when faced with apathetic or misinformed doctors and a wealth of bogus or misleading information that people believe about herpes and herpes transmission The centerpiece chapter of the book is The Talk in which Dr Ruth walks you through the various hypothetical situations you are likely to encounter when you tell someone you have herpes sympathy confusion anger denial and how to deal with each emotion by giving whomever you re talking to the appropriate kind of information they will need to deal with the news herpes is contagious and incurable but not life threatening condoms reduce but do not entirely eliminate the risk of transmission etc Peppered throughout this chapter as they are throughout the book are quotes from people that Dr Ruth interviewed for this book that have herpes and in this instance have actually had the talk themselves These quotes offer a running commentary throughout the book that allow readers to balance the advice Dr Ruth offers vs how the situation actually plays out in real life sometimes Dr Ruth s advice plays out exactly as she predicts but in some cases her advice doesn t offer much help or solace or actually improve the situation and she is quick to point these inconsistencies out Because this is a Dr Ruth book it wouldn t be complete without information on how to maintain a normal and active sex life while living with herpes With today s suppressive therapies and medication one can substantially reduce the chance of transmitting herpes to another person Support groups also offer the opportunity to meet fellow people with herpes as well as offering a safe environment with which to meet new people to date In addition to offering specific advice on how to deal with herpes when talking within specific groups and in specific situations how to talk to your children about herpes and how to talk about the disease if you re a senior or gay Dr Ruth concludes the book with a lengthy chapter on additional STDs and explains how each one is caused or transmitted and what you can do to protect yourself against each

disease Two helpful appendixes can be found at the back of the book listing where to find a support group near you as well as listing websites that offer supplemental information to what's listed in the book

The Pub Lover's Guide to London Callum Moy, 2024-08-30 A guidebook that pairs London's historical landmarks with nearby pubs offering a journey through the city's diverse history and vibrant pub culture Metropolitan London has around 7 000 public houses an average of 25 pubs per square mile No other capital city in the world matches this density It's not surprising that the London pub is such an institution at home and abroad Pubs were part and parcel of the expansion of London that grew to be the world's largest city by the 1830s Because pubs are omnipresent in the capital a pub can always be found near a place of historical significance This book selects some key moments in the history of London from Roman times to the modern day and suggests a popular pub nearby to savour the moment re-living the history with a drink in hand The Pub Lover's Guide to London explains the driving forces behind the most significant moments in the history of London and the best pubs near to where history was made In all 52 great pubs to visit one for each week of the year
