the Sunset Earle H. Morse,2018-11-03 Miller Gavins life has hit rock bottom His wife leaves him his children turn against him the recession hits his business hard the owner of the company he works for passes away and it seems as if his employment future is questionable When the owner s widow takes over the company he meets the gorgeous Grace Stroinski and Miller falls deeply in love There is only one problem Grace is married Does Grace love and admire Miller the same way that Miller admires and loves Grace *After the Sunset* is the unforgettable debut novel by Earle H Morse It is a romantic novel full of emotions passionate and sexy romance and laced with touches of offbeat humor Romance aside *After the Sunset* is actually a touching story of one man s journey from the ashes of despair to joy and how his journey touches and changes the lives of four other persons who are searching for fulfillment in their lives too Tinsley's Magazine ,1883 **All This, and Heaven Too**

Caitlin Smith Gilson,2024-12-27 This book offers an intelligent but accessible recovery of the Christian hope for heaven and the resurrected life Our ideas of heaven often need rescuing from the well meaning but often empty sense of a better place It is more fruitful the author argues to orientate ourselves by St Paul s words For this world is not our permanent home we are looking forward to a home yet to come Each of us desires Eden while struggling to make good out of evil The things we cherish have their goodness diluted and drained of life Through it all we cannot quite picture heaven and our eternal happiness It feels remote and unreal Yet the recovery of paradise in our hearts and minds is the crucial act of our lives Through it we can understand the meaning behind the greatest commandment Love the LORD your God with all your heart and with all your soul and with all your mind *Catalog of Copyright Entries* Library of Congress. The Kiso Road William E. Naff,2010-11-30 William E Naff the distinguished scholar of Japanese literature widely known and highly regarded for his eloquent translations of the writings of Shimazaki Toson 1872 1943 spent the last years of his life writing a full length biography of Toson Virtually completed at the time of his death *The Kiso Road* provides a rich and colorful account of this canonic novelist who along with Natsume Soseki and Mori Ogai formed the triumvirate of writers

regarded as giants in Meiji Japan all three of whom helped establish the parameters of modern Japanese literature Professor Naff's biography skillfully places Toson in the context of his times and discusses every aspect of his career and personal life as well as introducing in detail a number of his important but as yet untranslated works Toson's long life his many connections with other important Japanese artists and intellectuals his sojourn in France during World War I and his later visit to South America permit a biography of depth and detail that serves as a kind of cultural history of Japan during an often turbulent period The Kiso Road as approachable and exciting as any novel with Toson himself as its complex protagonist is arguably the most thorough account of any modern Japanese writer presently available in English *Unveiling the Garden of Love* Lalita Sinha, 2008-07-11 Epic love poems often share common thematic elements love in union love in separation and love in reunion Discover the common ground shared between Islamic Sufism and Hindu Bhaktism through their literary expressions This book examines two classic love poems The Story of Layla Majnun written by Nezami in the Sufi tradition and Gita Govinda written by Jayadeva in the Hindu tradition and finds common experiences of love shared between these seemingly disparate cultures **Imagining Africa** Lindy Stiebel, 2001-06-30 Best known as the author of such works as King Solomon's Mines and She H Rider Haggard was one of the most popular writers of the late Victorian era and his works continue to be influential today To a large degree his novels are captivating because of his image of Africa and an understanding of his representation of the African landscape is central to a critical reading of his works This book argues that Haggard created in his African romances a formulaic ideological geography which provided a canvas onto which he projected his desires and fears both personal and political as well as those of his age The first full length study of land and landscape in Haggard's African romances this book approaches his construction of an imaginary African landscape as a product of late Victorian wishful thinking about Africa analyzing his African topography as a vast Eden a wilderness a dream underworld a home to ancient white civilizations and a sexualized metaphor for the human body While the work looks primarily at his pre 1892 romances which were his most powerful it also gives attention to his nonfiction and unpublished papers Because Haggard's writings embodied the spirit of his age this book is an essential guide to late Victorian concepts of Africa colonization and the British Empire *Exploring Space* Shakila Abdul Manan, Lalita Sinha, 2009-03-26 This book embodies the current trends towards inter and intra disciplinary studies specifically within the areas of Literature Linguistics and Translation It is a collection of original and insightful essays by Malaysian academics reflecting state of the art research and seen through traditional and modern lenses of conceptualising reality or spaces within the fields mentioned The uniqueness of this book lies in its attempts to provide textual and theoretical readings from a variety of positions and perspectives The multi disciplinary approach taken will appeal to readers from diverse backgrounds particularly with the contemporary emphasis on and celebration of heterogeneity in all its forms within a global context **Poetry and Censorship in Counter-Reformation Italy** Jennifer Helm, 2015-08-25 In Poetry and Censorship Jennifer Helm offers insight

into motives and strategies of Counter Reformation censorship of poetry in Italy Materials of Roman censorial authorities reveal why the control of poetry and of its reception was crucial to Counter Reformation cultural politics Censorship of poetry should enable the church to influence human inner life that from thought and belief to fantasy and feeling was evolving considerably at that time The control of poetic genres and modes of writing played an important part here Yet to what extent censorship could affect poetic creation emerges from a manuscript of the Venetian poet Domenico Venier The materials suggest the impact of Counter Reformation censorship on poetry began earlier and was more extensive than has yet been propagated

there is a great need in the whole world for the correct interpretation of the Holy Quran to be written in English Currently there is a great misunderstanding about Islam among Muslims and non Muslims globally The misunderstanding of the meaning of the Holy Quran among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of Muslims The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non Muslims The wrong actions of the Muslims have led to many miseries and wars among Muslims The wrong actions of Muslims have also led to many wars and clashes between Muslims and non Muslims In order to avoid miseries wars and clashes from taking place between the whole mankind in the whole world the whole mankind in the whole world need to understand the true teaching of Islam There is no other way for the whole mankind to understand the true teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran The whole mankind is only able to read and understand the correct interpretation of the Holy Quran when it is written in the universal language of the world English For this very reason I have written the interpretation of the Holy Quran in English Prof Nasoha Bin Saabin **High Fidelity** ,1957 Contains Records in review
