Alfred Edward Thiselton

Lovers Tongue:

The Lover's Tongue Mark Morton, 2009 This delightful book includes over 100 mini essays explaining the origins and historical development of words in our language that pertain to love and sex Do you know for example what a 78 is Here s a hint like the old 78 rpm records the term refers to a man who is well on the fast side Diligently researched The Lover s Tongue is written in a light hearted style A dictionary of a different kind this book is the perfect gift for that special someone or for the connoisseur of language and history in your life

The Lovers' Dictionary J. H., 1867 **Love, Sex, and Marriage** Julie Coleman, 2022-06-13 If the language we use influences and reflects the way that we see the world then the fields of LOVE SEX and MARRIAGE will show how speakers of English view their closest social and emotional relationships Love Sex and Marriage provides a classification of English terms for these three fields from the earliest written records of the language until the present day This volume makes it possible to trace changing attitudes towards social and sexual ties and to understand those ties as earlier speakers of English did through the language they used The terms are arranged by meaning and are listed chronologically within semantic fields with their dates of usage Notes on individual terms provide further information about their connotations and development Language does not exist in isolation from the people who speak it so background information about changes in social conditions religious beliefs and medical advancements is also included A brief introduction to basic semantic terminology explains the principles behind the classification and an alphabetical index facilitates the location of individual terms

Beyond the Sunset Ron Shafer, 2023-08-31 In Beyond the Sunset the sixth novel in Ron Shafer s There Is a River saga two cultures repeatedly collide Jude and Cory s world of love embodied in their beautiful wedding and honeymoon clashes with the world of the carnal thugs The intelligent Todd Cravener pitifully caught in the crossfire between the two worlds deals with the overwhelming guilt of his girlfriend s death Is there hope for such misdirected people who botch their lives so completely In the words of one reader Todd is like many people today forlorn hopeless and scared The lives of the antagonists and the protagonists of these two worlds crisscross in a series of breath taking episodes which build to a riveting climax during Kittanning s Light up Night when the inebriated stooges kidnap two innocent people That a reader shares is one of the most
