and shaped my life's existence. These scenes and the feelings they created caused me to experience a repetitive pattern. It did not matter if the imprints were intended to create this pattern only that it was the pattern it created in me. Until I was genuinely ready and able to look at my imprints and beliefs where they came from and release them, the pattern would remain. Negative imprints, beliefs, thinking, and emotions cause a great deal of mental, emotional, and physical distress. Negative thoughts and worry sink deep and can control your life. There is power in how you perceive your past, your relation to it, and your world. Awareness of how your past affects and guides will help stop the vicious cycle.

Daddy Throws Me In The Air is a journey through childhood memories to awareness. It includes a process to assist in releasing negative imprints and beliefs.

The Imprint Journey Liliane Desjardins, 2011-02-25

Ever Wonder Why The Same Patterns Happen To You Over And Over Again? We all have imprints, both negative and positive. An imprint is a belief that shapes our thoughts and actions, a belief we often hold unconsciously. Liliane Desjardins, a certified clinical addiction specialist, co-founder of Pavillon Gilles Desjardins, and co-creator of the Desjardins Unified Model of Treatment of Addictions, sets forth in *The Imprint Journey* an exploration of imprints, how they govern our lives, and how we can reprogram our minds to function in new and fulfilling ways. *The Imprint Journey* is equivalent to reading two powerful books in one. Liliane spends the first section telling her own story: a childhood in war-torn Croatia, the death of her mother, being an immigrant, first to France and later French Canada, and the addictions and dysfunctions that marred her life until a suicide attempt resulted in a near-death experience. Her own personal recovery led her on a mission to help others find their own freedom from self-imposed and self-limiting imprints. The second half of this powerful book provides an anatomy of our imprints, revealing how to transform them so we are free to be our authentic selves. Liliane includes eight powerful personal stories of people who

have overcome their imprints including religious sexual and cultural limitations as well as an overview of how understanding and rewriting our imprints can shape the human race's future as we all experience individual Oneness Readers will find themselves turning to The Imprint Journey again and again as a guide to relieve fears and to discover powerful truths about themselves that will transform them into their authentic selves Acclaim For Desjardins The Imprint Journey Liliane writes from the depth of her own experience with passion and power and a keen understanding of the human psyche Her insights lift the reader above their own past patterns providing insight both comforting and striking The book inspires hope that no matter what we've been through fundamental change is possible Marianne Williamson author A Return To Love The Imprint Journey will touch your very soul and make way for profound transformation From personal story to practical steps Liliane walks with her readers on the path of awakening Your life will be changed Carolyn Craft Psychotherapist Unity Minister host of Waking Up With Carolyn Craft on Sirius Satellite Radio Learn more at www.LilianeDesjardins.com From Life Scripts Press www.RewritingLifeScripts.com
