Evangelizing the Depths Simone Pacot,2018-09-28 Many people don't know how to reconcile the spiritual with the reality of where they are psychologically so their psychological issues are not submitted to the spirit Thus followers of Christ are often living with shame oppression or even hatred It should not be this way The good news is that there is a way to wholeness Evangelizing the Depths calls us to listen closely to the Word of God as very practically Simone Pacot explains how the grace of the Triune God can restore us to life in every facet of our being even those that have been deeply wounded by events of the past As the entwining of the spiritual and psychological levels is explored this book will help establish us in the love and the truth of God As this happens it becomes possible to identify the paths of death that we have taken in the past and then leave them behind as we choose to follow Christ along the way of true life *Love of Enemies* William

Klassen,2002-05-22 Love of enemies search for peace In the current international political atmosphere where hope is in short supply these days within and outside the church William Klassen these twin themes hardly seem compatible Klassen maintains however that the two are not only consistent but also have coexisted from ancient times to the present due in large part to the Jesus movement Examining the Hellenistic and Hebrew backgrounds of the two themes Klassen illuminates old familiar texts as well as some that have been previously ignored He shows how people today can strive for peace both by following the examples of the twentieth century figures before them and by returning as warriors of peace to long neglected biblical resources

**Summa Theologica, Part II-II (Secunda Secundae)** Thomas Aquinas,2021-12-12 Summa Theologica Part II II Secunda Secundae Thomas Aquinas The Summa Theologiae Latin Compendium of Theology or Theological Compendium also subsequently called the Summa Theologica or simply the Summa written 1265 1274 is the best known work of Thomas Aquinas c 1225 1274 and although unfinished one of the classics of the history of philosophy and one of the most influential works of Western literature It is intended as a manual for beginners in theology and a compendium of all of the main theological teachings of the Church It presents the reasoning for almost all points of Christian theology in the

West The Summa's topics follow a cycle the existence of God Creation Man Man's purpose Christ the Sacraments and back to God courtesy of wikipedia.com This is part 2 2 Secunda Secundae In a chain of acts of will man strives for the highest end They are free acts insofar as man has in himself the knowledge of their end and therein the principle of action In that the will wills the end it wills also the appropriate means chooses freely and completes the consensus Whether the act be good or evil depends on the end The human reason pronounces judgment concerning the character of the end it is therefore the law for action Human acts however are meritorious insofar as they promote the purpose of God and his honor By repeating a good action man acquires a moral habit or a quality which enables him to do the good gladly and easily This is true however only of the intellectual and moral virtues which Aquinas treats after the manner of Aristotle the theological virtues are imparted by God to man as a disposition from which the acts here proceed while they strengthen they do not form it The disposition of evil is the opposite alternative An act becomes evil through deviation from the reason and from divine moral law

**Choosing Stillness, Knowing Love** Christine Dixon, 2016-06-03 Often our default is to turn for guidance to external sources rather than connecting to the God given Spirit of Love within us We may effectively forfeit our direct connection to God and become dependent on outside authorities causing our spiritual roots to remain shallow and insecure Choosing Stillness Knowing Love offers a practical daily plan that makes connecting to the Spirit of God personal and tangible Through guided journaling awareness and stillness exercises this book encourages the reader to develop the habit of creating space to listen to the still small voice of God This leads to deeper roots that result in healing wisdom and a natural production of the fruit of the Spirit This book is designed to focus on one person at a time one moment at a time
