Elizabeth: An Old Man's Heart A. Jeremy Keith?, 2018-11-01 Elizabeth An Old Man's Heart is a novel of intrigue and romance It's the type of novel that we can identify with It transcends the story told by an old man to a detective in which he says goodbye to adolescence and of course to the myth that symbolized the love he found in his youth It was a time when reason became a puppet of destiny induced by emotion The story revolves around Richard Keith Elizabeth and Alejandra Richard the main character in this story falls in love with Elizabeth whose beauty leaves him speechless and turns his heart into a runaway locomotive Because that's what happens when we fall in love we feel like our world turns topsy turvy Elizabeth is the pinnacle of beauty for Richard Keith He started to love her as a boy and always noticed her during recess One day he gathered up his courage and wrote his first letter to her Elizabeth innocent in her thoughts didn't know what love was and she tore up the letter Even so the brave boy insisted until the day when she didn't

tear his letters up However she never replied One day he grew tired and stopped sending them After a year Elizabeth started to miss the beautiful words that Richard Keith wrote to her In junior high Elizabeth loved him but he wasn't as brave as he had been as a child though his love hadn't changed His self esteem had taken a severe blow when he lost strength in his legs and started walking with a pronounced limp Find out what happens between Richard Keith and Elizabeth and what role Alejandra plays in their lives What will happen when he wants to fix the past Who will die and who will live to tell about it Poetic thoughts aren't born with us they're provoked by destiny which at the same time plays with our minds The game of love is a passion that drives us crazy and hypnotizes the soul Destiny seeks its own muse to go crazy and grow old with but at the same time it gives us the opportunity to know and ex
