Cuomo,2003 The search for an ethic that is joyful and life loving yet politically and scientifically realistic is at the root of Cuomo s recent philosophy **Words Of Loving Counsel And Sympathy** Mary Winslow,2020-01-27 *Words Of Loving Counsel And Sympathy* is a message of meditation based on the Bible and written by Mrs Winslow possessed a remarkably fertile as a deeply sanctified pen It was emphatically the pen of a ready writer whose teachings seemed ever under the guiding hand of God s Spirit In this probably lay her peculiar gift and this defined her far reaching sphere of usefulness Her yet unpublished remains compose a large amount of material capable of being molded into varied forms of sacred instruction and beauty What shall be their disposal was a serious and responsible question To destroy

them appeared a sacrilege entirely to withhold them from the Christian Church a robbery The present volume is in a limited measure a reply to this question It is composed of sacred and precious thoughts culled from her extensive correspondence bearing as the occasion demanded upon some of the most important and interesting topics of the believer s experience In this department of Christian service she was eminently fitted from her own personal and rich experience her deep toned spirituality not less than by the holy and beautiful consistency of her religious life to be a succourer of many She has been a helper of many and of myself as well Romans 16 2 The streams which flow through this unpretending little volume will it is hoped refresh and invigorate many of the Lord s people whose souls like Israel of old are much discouraged because of the hardness of way The readings though brief and this will be a peculiar charm to many who cannot command time or strength for more lengthened teaching will be found to embrace a wide range of topics The anxious seeker will be led to Jesus the feeble believer will be strengthened the wanderer from the Savior will be allured back the ignorant mind will be instructed the tried spirit will be comforted the desponding heart will be cheered the tempted soul will be succored the advanced believer will be aided and even the minister of Christ will be stimulated and encouraged it is humbly and prayerfully trusted with the Divine blessing from a perusal of these unassuming pages They are the breathings of one who dwelt much in the region of the cross who often to use her own expressive words took her walks alone one who lived in close communion with God and who came daily up out of the wilderness leaning in simple calm faith upon her Beloved As such it is hoped they will receive a welcome in many a Christian home and awaken a psalm of praise in many a believing heart And to the Father the Son and the Holy Spirit shall be ascribed all the glory Octavius Winslow February 1868 **Loving the Earth. Love and the Soul Robert Sardello, 2011-06-28 With economies in peril war in the Middle East genocides global warming and a host of other grim phenomena the world has never seemed so besieged The solution says Robert Sardello lies with the individual In this timely thoughtful book he explains how the soul can engage with the outer world to produce radical change Because we think of the world as a vast mechanism and behave as mechanical objects in it the results are devastation and dysfunction The key is to learn to identify with the plight of the Earth by developing a true sense of individual imagination and conscious awareness of inner purpose and beauty in conjunction with the soul of the world Sardello shows how to achieve this awareness and bring what is inside out into the world inspiring balance and stability Using the Grail legend and the myth of Sophia known as the Soul of the World as well as writings by Jung James Hillman and Rudolf Steiner *Love and the Soul* helps readers imagine a revitalized Earth by exploring the significance of grieving the transformative power of radical receptivity the creative power of dreaming and a new basis for community
