Unusual Suspects Gilles Paquet, 2022-08-10 Unusual Suspects Essays on Social Learning looks into the forces at work that have undermined critical thinking and sound intellectual inquiry in the world of public affairs in Canada have fostered reductive perspectives and destructive blockages to collaborative governance to emerge and have succeeded in blinding observers to the real sources of the present Canadian malaise blocking the road to imaginative repairs Part I deals frontally with the twilight of critical thinking that has led to a dramatic weakening of the critical examination of issues and the process of inquiry that has been significantly weakened by ever narrower perspectives Part II focuses on two mental prisons the obsessive and reductive insistence on a quantophrenic twist only that which can be quantified counts and the failure by crucial partners to live up to the requirements of their burden of office in circumstances when disloyalty considerably enfeebles the possibility of effective collaborative governance and the chance for organizations to succeed Part III suggests that it is not impossible to get rid of the blinders preventing the adoption of more synoptic approaches and the exploration of more imaginative designs to repair our organizations and institutions Ways to deal with the challenges facing the Canadian socio economy are hinted at and the work of a successful social architect showcased The conclusion makes the case for an approach that is both synoptic and guided by reasonableness against the dogmas of disciplines and skimpy rationality

Warren, 2023-01-24 Character Made in the Image of God is a revelatory look at the true meaning of character Jesus Christ is described as the express image of the person of God in Hebrews 1:3 The words express image are a translation of

the Greek word *charakter* Hence we understand that the image of God is the character of God We were all made in His image according to Genesis 1:26 Therefore the express purpose of our creation was to be the earthly representation of the character of God In these pages you will discover what that means for us today **Reliability and Alliance**

Interdependence Iain D. Henry, 2022-05-15 In *Reliability and Alliance Interdependence* Iain D Henry argues for a more sophisticated approach to alliance politics and ideas of interdependence It is often assumed that if the United States failed to defend an ally then this disloyalty would instantly and irrevocably damage US alliances across the globe Henry proposes that such damage is by no means inevitable and that predictions of disaster are dangerously simplistic If other allies fear the risks of military escalation more than the consequences of the United States abandoning an ally then they will welcome encourage and even praise such an instance of disloyalty It is also often assumed that alliance interdependence only constrains US policy options but Henry shows how the United States can manipulate interdependence to set an example of what constitutes acceptable allied behavior Using declassified documents Henry explores five case studies involving US alliances with South Korea Japan the Republic of China the Philippines Australia and New Zealand *Reliability and Alliance Interdependence* makes a substantial contribution to our understanding of how America's alliances in Asia function as an interdependent system
