Leeds United Neil Howson,2021 Bleed White Phil Merrick,2010-11-02 Bleed White is the story of Leeds United in the new Millennium At the turn of the century a young vibrant team had ambitions to challenge the domination of Manchester United and Arsenal and by the 1st January 2002 they sat proudly at the top of the Premier League arguably the best league in Europe But disaster was around the corner Mismanagement both on and off the field saw the club fall into serious financial difficulty Managers and players came and went and the club was relegated from the Premier League in May 2004 The downfall continued and they were relegated from the Championship in May 2007 and started in the third tier of British football for the first time in the club s history The club had also been put into administration and to make matters worse they were forced to start the next season with a fifteen point penalty following a dispute with the Inland Revenue which caused them to break Football League rules But the club is on the way back and after three long years in Division One the future is looking much brighter Ken Bates the Chairman has restored financial stability and Simon Grayson an excellent young manager who happens to be a fan and ex Leeds player has given the fans hope at last This story is a fan s view of what happened at Leeds United Football Club during those eventful years The book covers issues both on and off the pitch and has been written from two different perspectives wearing a level headed business hat one minute and a passionate Leeds United baseball cap the next Business objectivity meets football fan emotion and they hate each other **Leeds United: A History** Dave Tomlinson,2015-08-15 The complete and definitive history of the Whites *Leeds United in the 21st Century* Dave Tomlinson,2021-09-15 The story of Leeds United s roller coaster ride through the 21st century from Champions League semi finals to financial mismanagement boardroom wrangles and relegation and hope of their eventual return to the top tier

Leeds United David Watkins,2021-05-27 Leeds United returned to the Premier League in 2020 for the first time in 16 long years having won promotion from the Championship under Marcelo Bielsa at the second attempt Sadly and somewhat typical of the luck of a Leeds United fan our return to the top flight coincided with a world pandemic and that dictated that the season was to be played largely behind closed doors This is the story of the season therefore as witnessed from the sofa through the TV screen and not from the stands as it should have been Nevertheless it is still an incredible story a wonderful mishmash of footballing tales on and off the pitch with Bielsa's Leeds United surprising most observers by taking the Premier League by storm There were big victories big defeats new talents unearthed and praise won from all quarters for a style of attacking football never before seen from a newly promoted side Leeds were the new entertainers This is the 11th book in the series written by self confessed Leeds United addict David Watkins and once again it captures the essence of following one of the most iconic clubs in the land albeit this time set against the backdrop of the Covid 19 pandemic Everything is covered the summer recruitment pre season the games on the pitch and the events off the pitch and all set against the developments of the ongoing pandemic and world events It's probably the most comprehensive summary of the season you will find A wonderful mishmash **100 Years of Leeds United** Daniel Chapman,2019-08-08 UPDATED TO INCLUDE ALL THE ACTION FROM THE CLUB'S TITLE WINNING CENTENARY YEAR THE SUNDAY TIMES BESTSELLER PUBLISHED IN ASSOCIATION WITH LEEDS UNITED Every up and down at Leeds United Essential reading Phil Hay The definitive history of Leeds United's first century 100 Years of Leeds United tells the story of a one club city and its unique relationship with its football team Since its foundation in 1919 Leeds United Football Club has seen more ups and downs than most rising to

global fame through an inimitable and uncompromising style in the 70s clinching the last Division One title prior to the Premier League's inauguration in 1992 before a spectacular fall from grace at the start of the 21st century United finally restored their top flight status after a sixteen year wait with an unstoppable promotion campaign in the club's 100th year the transformation under manager Marcelo Bielsa fittingly reminiscent of those instigated by Howard Wilkinson and Don Revie decades earlier In 100 Years of Leeds United Chapman delves deep into the archives to discover the lesser known episodes providing fresh context to the folkloric tales that have shaped the club we know today painting the definitive picture of the West Yorkshire giants
